Introduction

Welcome

Work is sanctified by Christ as part of restoring all things in God's new creation. Jesus reminds us that all work is ministry or an act of serving some wholesome eternal purpose. The Episcopal Diocese of Rochester has a long and proud history as an employer responding to context by valuing the dignity of every person. As an Episcopal Diocese of Rochester employee, you are an important part of our progressive heritage.

This handbook summarizes many of your privileges, benefits, and responsibilities as an employee of our organization. If you are a new employee, it will be helpful in acquainting you with our organization's philosophies and human resources practices. If you are already a member of the Episcopal Diocese of Rochester team, this handbook should prove to be a useful reference. Above all, I hope it will promote consistency, fairness, and understanding throughout our organization.

To maintain the necessary flexibility in the administration of policies and procedures, the Episcopal Diocese of Rochester reserves the right to change, revise, or terminate any of the policies and/or benefits discussed in this manual with or without notice. After you have read your handbook, please keep it handy for future reference and updating.

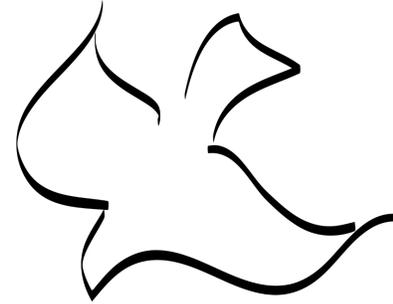

Welcome to the Episcopal Diocese of Rochester! I am glad that you have joined our beloved community and I hope that you will find your work among us to be challenging, innovative and rewarding.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. G. Singh', with a long horizontal line extending to the right.

Preface

This handbook* outlines the Human Resources policies and Benefit Plans currently in effect for the Episcopal Diocese of Rochester. The handbook is intended for all employees of the Diocesan Office, Diocesan Missions and may be adopted by Parishes. The Episcopal Diocese of Rochester, Member Parishes and Missions are also referred to in the Handbook using terminology such as “The Episcopal Diocese”, “Diocese”, "Company" "Church" or “Organization.”

New or revised policies are issued periodically and are effective as of the date shown at the bottom of the page. The statements regarding our organization’s policies, procedures, and benefits are for information purposes only. They do not constitute a contract for employment, either expressed or implied. Our organization adheres to the principle of employment-at-will which preserves the right of either the employee or the employer to terminate the employment relationship at any time, with or without cause. No manager, supervisor, or employee of the Episcopal Diocese of Rochester has any authority to enter into an agreement for any employment other than at will. Only the Bishop has the authority to make any such agreement and then only if it is reduced to writing.

Important Information about Benefits as our organization evolves, we will continue to review and revise these human resources policies and benefit programs. The organization reserves the right to alter, reduce, or terminate any pay practices, policies, premium contributions, benefits and benefit plans, in whole or in part, without notice. Any such change may affect retirees and beneficiaries, as well as active employees. The benefit information found in this handbook is intended to provide an overview of the benefit plans. The actual benefits are controlled by the terms of the applicable plan documents and insurance policies. Questions regarding the interpretation of these plans will be answered in accordance with the actual plan documents and insurance policies, rather than the summaries contained in this handbook. Employees may obtain copies of these documents from the Benefits Administrator. The organization and/or the plan administrator have the sole discretion to determine the eligibility for benefits and to interpret and administer these benefit plans.

* This handbook and its policies are effective January 1, 2019 and supersede all other personnel manuals and personnel policies previously distributed by the organization. To avoid confusion, please discard any copies of previously published employee handbooks.

At-will Employment Statement

While we hope to have a long and profitable relationship with you, your employment with The Episcopal Diocese is voluntary and is subject to termination by you or the Organization at will, with or without cause, and with or without notice, at any time.

The Episcopal Diocese may have a disciplinary system in place, this system does not have to be used—the Organization may make the decision to terminate you without first taking these disciplinary steps.

None of the information provided in our policies signifies a contractual agreement or should be interpreted to conflict with, eliminate or modify in any way your employment-at-will status with The Episcopal Diocese.

Employment Policies

Employment Termination Policy

To ensure fairness and consistency throughout our organization, terminations are handled in accordance with the following provisions.

TYPES OF TERMINATIONS

Termination refers to either voluntary resignations initiated by the employee or involuntary terminations initiated by the organization.

RESIGNATIONS

Employees resigning voluntarily are expected to give a minimum of two weeks advance notice in writing to their supervisor so that the proper replacement can be found. An employee's consideration in this situation will be viewed favorably by management should the employee reapply for employment with our organization at a later date.

SEVERANCE PAY

Full-time employees whose position is eliminated due to layoff or reorganization are eligible for severance pay. Severance pay is calculated at the rate of one week's pay for each year of service, with a minimum of two weeks of pay and a maximum of three months of pay. Severance pay includes any applicable housing and or SECA allowance. The Diocese does not provide severance pay in the event an employee voluntarily leaves a position, retires or is terminated for cause.

UNUSED VACATION TIME

Employees who resign voluntarily giving the required advance notice will be paid for earned but unused vacation time. Earned but unused vacation time will not be paid to employees who resign with less than the required advance notice or to employees who are terminated by the organization.

UNUSED SICK/PERSONAL DAYS

Earned but unused sick/personal days are not paid upon termination.

HEALTH INSURANCE

Premiums for health insurance will be paid through the last day of the month in which the termination of employment occurred. Employees who have health insurance with our organization may have the option of continuing these benefits under the Extension of Benefits Program. Refer to the official notice for further information.

DENTAL INSURANCE

Premiums for dental insurance will be paid through the last day of the month in which the termination of employment occurred. Employees who have dental insurance with our organization may have the option of continuing these benefits under the Extension of Benefits Program. Refer to the official notice for further information.

LIFE INSURANCE

Coverage ceases on the last day of the month in which the termination of employment occurred. Employees may have the option of converting their group insurance policy to an individual policy. Contact the Benefits Administrator for more details.

RETIREMENT INCOME-CHURCH PENSION FUND

Upon termination of employment contact your Benefits Administrator for more details about defined benefit, defined contribution and the 403(b) plans.

COMPANY PROPERTY

Upon termination, employees are expected to return all organization-issued items, including, but not limited to: keys, tools, uniforms, employee handbooks, manuals, computers, cellular phones, computer disks, flash drives, and client information and may not retain any copies of company information in any form.

Equal Employment Opportunity

It is our policy to provide an equal employment opportunity to all individuals. We are committed to a diverse workforce. We value all employees' talents and support an environment that is inclusive and respectful. We are strongly committed to this policy, and believe in the concept and spirit of the law.

We are committed to assuring that:

- All recruiting, hiring, training, promotion, compensation and other employment-related programs are provided fairly to all persons on an equal opportunity basis;
- Employment decisions are based on the principles of equal opportunity. All personnel actions such as compensation, benefits, transfers, training, and participation in social and recreational programs are administered without regard to any characteristic protected by state, federal or local law;
- Employees and applicants will not be subjected to harassment, intimidation, threats, retaliation, coercion or discrimination because they have exercised any right protected by law; and
- Reasonable accommodations will be made for disabilities and religious beliefs.

We believe in and practice equal opportunity. The organizations leadership serve as our Equal Opportunity Coordinators and have overall responsibility for assuring compliance with this policy. All employees are responsible for supporting the concept of equal opportunity and diversity and assisting our Church in meeting its objectives.

Please contact your supervisor or leadership with questions or concerns.

Recruitment and Placement

The Diocese recruits and selects individuals for lay staff positions on the basis of merit, qualification and competency without regard to all legally protected classes, including, but not limited to: race, color, age, sex, disability, religion, citizenship, national origin, ancestry, military status or veteran status, marital status, sexual orientation, domestic violence victim status, predisposing genetic characteristics and genetic information, and any other status protected by law. All job offers are contingent upon the applicant providing proof of legal authorization to work at the organization.

JOB POSTING

The hiring process may begin with posting an available open position, which can vary depending on location. The posting will include a current job description and qualifications required. The hiring supervisor will identify qualified applicants, conduct interviews and make a hiring decision.

HIRING PROCESS

The hiring procedure includes recruitment, interviewing, and reference checks of all applicants considered for the opening.

All offers of employment must be in writing and are contingent upon:

- Signed acceptance of the offer letter;
- Satisfactory completion of background check(s);
- Authorization to work in the United States; and
- Signed acceptance of the employee handbook.

I-9 Immigration Reform Policy

The Episcopal Diocese complies with the Immigration Reform and Control Act, employing only those persons who are legally eligible to work in the United States.

The Episcopal Diocese complies with the Immigration Reform and Control Act of 1986 by employing only U. S. citizens and non-citizens who are authorized to work in the United States. All employees are asked on their first day of employment to provide original documents verifying their right to work in the United States and to sign a verification form required by federal law (INS Form I-9). If an individual cannot verify his or her right to work within three days of hire, The Episcopal Diocese must terminate his or her employment.

Please contact your Leadership with questions or concerns.

Workplace Conduct

Code of Ethics Policy

The Episcopal Diocese's reputation is dependent upon the good judgment, ethical standards and personal integrity of every individual in our organization. As our organization continues to grow, it is of paramount importance that we always conduct our day-to-day activities in an ethical and responsible manner.

CONFLICT OF INTEREST

Employees must refrain from participating in any activity or business venture which could conflict with the interests of the Episcopal Diocese. Specifically, employees may not accept personal payment or other benefits from any supplier or member of the organization, nor should they take any action as a representative of the organization for personal gain.

PROPRIETARY INFORMATION

In working at the Episcopal Diocese, employees will learn things about our organization and our members' organizations which are proprietary or confidential. Every employee of the organization has a professional and ethical responsibility to treat this information as privileged and to ensure such information is not improperly or accidentally disclosed. Except as required in the performance of their duties for the organization, employees may not use or disclose any proprietary information such as operational plans, financial data, management information systems, to anyone who does not work for us or have a need to know the information.

Upon termination of employment, employees must return all company property and all copies of documents, notes, computers, computer disks, flash drives, and other repositories containing pricing lists, invoices, marketing methods, management information systems, financial information, employee lists, and all other information that is not general public knowledge relating to the Episcopal Diocese, and not retain any duplicates.

RECEIVING AND GIVING GIFTS

Substantial gifts, favors or excessive entertainment from church members or suppliers are strictly prohibited. A gift, favor or entertainment is considered substantial or excessive if it might influence an employee's business relationship with the donor.

EMPLOYEE RESPONSIBILITY

Employees are responsible for promptly advising supervisors or leadership of any violation or suspected violation of these guidelines on conflicts of interest, proprietary information, or gift giving and receiving, or any violation or suspected violation of any other company policy. Violations of this policy are subject to disciplinary action, up to and including termination of employment and, if applicable, legal action. The organization protects those employees from retaliation who in good faith report possible inappropriate, unprofessional, illegal or unethical actions. Any employee who believes they have been retaliated against in violation of this policy should notify the supervisor immediately. Individuals who engage in any retaliation in contravention of this policy are subject to disciplinary action in accordance with the organization's Standards of Conduct policy.

ADDITIONAL INFORMATION

Employees should meet with their supervisor or leadership if they have questions regarding the application of this policy.

Individuals with Disabilities

The Episcopal Diocese fully supports the Americans with Disabilities Act (ADA) and New York State Human Rights Laws which make it unlawful to discriminate in employment against a qualified individual with a disability. The company prohibits discrimination against employees and applicants with disabilities in all aspects of employment. Our organization's commitment to this policy includes making reasonable accommodations to persons with disabilities to enable them to perform the essential functions of their jobs, unless to do so poses an undue hardship on the organization or a direct threat to health or safety.

OUR COMMITMENT

The employee or applicant should make the organization aware of his or her need for an accommodation by notifying the supervisor. The organization will work with each individual to define his or her job-related or application-related needs and to try to accommodate those needs. Employees may not refuse to work alongside co-workers who have disabilities.

QUALIFIED INDIVIDUALS WITH DISABILITIES

Qualified individuals with disabilities are defined as individuals with disabilities who can perform the essential functions of the job in question with or without reasonable accommodation. The term disability is defined by applicable law.

REASONABLE ACCOMMODATION

Reasonable accommodation is any change or adjustment to a job, the work environment or the way things usually are done that enables a qualified individual with a disability to perform the essential functions of the job and that does not pose an undue hardship for the organization or create a direct threat to health or safety.

DETERMINING APPROPRIATE ACCOMMODATIONS

Frequently, when a qualified individual with a disability requests a reasonable accommodation, the appropriate accommodation is easily agreed upon. The individual may recommend an accommodation based on his or her life or work experience. The ultimate decision as to whether a particular accommodation will be made rests with the organization. When the appropriate accommodation is not obvious, the organization may assist the individual in identifying one. If more than one accommodation will enable the individual to perform the job, the Diocese reserves the right to choose which accommodation it will make.

Complaint Policy

The Episcopal Diocese strives to openly communicate with all employees. Any concerns employees have should be promptly reported to management so that a solution may be devised.

Examples of some complaints employees may have:

- Suggestions for improvement
- Concerns about working conditions
- Issues with co-workers
- Concerns about treatment at work

When a complaint is voiced, management will do its best to remedy the situation. While every employee may not be satisfied with every solution, employee's input is valued, and the organization wants to foster an environment where all employees feel comfortable reporting their concerns.

Please contact your supervisor, leadership or Bishop's Office with all complaints.

Drug-free Workplace Policy

We recognize alcohol and drug abuse to be potential health, safety and security problems. It is expected that all employees will assist in maintaining a work environment free from the effects of alcohol, drugs or other intoxicating substances. Compliance with this Drug-free Workplace Policy is made a condition of employment.

Employees are prohibited from the following when reporting for work, while on the job, on Company or customer premises or surrounding areas or in any vehicle used for Company business:

- The unlawful use, possession, transportation, manufacture, sale, dispensation or other distribution of an illegal or controlled substance or drug paraphernalia
- The unauthorized use, possession, transportation, manufacture, sale, dispensation or other distribution of alcohol
- Being under the influence of alcohol or having a detectable amount of an illegal or controlled substance in the blood or urine (“controlled substance” means a drug or other substance as defined in applicable federal and state laws on drug abuse prevention)

Any employee violating these prohibitions will be subject to disciplinary action up to and including termination.

Any employee convicted under any criminal drug statute for a violation occurring while on the job, on Company premises or in any vehicle used for Company business must notify the Company no later than five days after such a conviction. A conviction includes any finding of guilt or plea of no contest and/or imposition of a fine, jail sentence or other penalty.

Drug and alcohol testing will be carried out in compliance with any applicable state and federal laws and regulations.

Disciplinary action will be taken for drug-related crimes, regardless of whether they happened during working hours or on an employee’s own time.

We recognize that employees suffering from alcohol or drug dependence can be treated. We encourage any employee to seek professional care and counseling prior to any violation of this policy.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The Episcopal Diocese provides an EAP for employees and their family members. Employees are encouraged to use the EAP whenever they feel the need to discuss personal issues. For employees who have difficulty handling drugs or alcohol, the EAP can provide information on treatment. The EAP is a confidential service.

Drug and Alcohol Testing Policy

The Episcopal Diocese values the health and safety of its employees and knows that the use of alcohol and/or drugs can have a negative impact on the workplace and on job performance. Because of this, the organization prohibits the use, sale or possession of alcohol and/or illegal drugs at all times while on company property or time. Employees are subject to drug and alcohol testing at any time, with or without notice.

In accordance with the Federal Drug Free Workplace Act, individuals convicted of any criminal drug statute, including misdemeanors, for violations occurring on company property or company time must notify the organization's leadership within five days of the date of conviction. This includes any findings of guilt, pleas of 'no contest' and impositions of fines, jail sentences or other penalties.

Testing Methods

- *Pre-employment Testing:* Every job applicant may be required to take and pass a drug and/or alcohol test before he or she may officially be hired by The Episcopal Diocese. Each applicant will be notified if a drug and/or alcohol test is required as part of the interview process and that any and all job offers are contingent upon successfully passing a drug and/or alcohol test.
- *Periodic Group Testing:* Employees may be periodically required to submit a specimen for an unannounced drug and/or alcohol test. Employees will be given short notice of the test and will be told when the testing will occur.
- *Random Testing:* Every employee has the chance of being selected to provide a specimen for a drug and/or alcohol test. Such random testing will take place annually. Selection for testing will be done to ensure that the selection of individuals is done at random.
- *Reasonable Suspicion Testing:* If there is suspicion that an employee is under the influence of drugs and/or alcohol while on company property or time, the employee will be required to take a drug and/or alcohol test. Reasonable suspicion will be based on observable instances or actions such as, but not limited to, the following:
 - Dangerous conduct
 - Unexplained decrease in job performance
 - Hostile interpersonal relations
 - Possession of drug paraphernalia
 - Noticeably reduced short-term memory
 - Physical symptoms (incl. bloodshot eyes, slurred speech and vomiting)
 - Anxiety
 - Inability to concentrate

- *Post-accident Testing:* Every employee who is directly involved in, or whose actions contributed to, an accident on the job may be required to submit to a drug and/or alcohol test as soon as possible after the incident occurs. Accidents include all Occupational Health and Safety Administration (OSHA) recordable incidents, actions or omissions that result in near-miss accidents and accidents involving injury requiring first aid or off-site medical attention. Accidents also include property damage caused by human error.
- *Follow-up Testing:* Employees who have tested positive for a drug and/or alcohol test, and employees who have attended drug and/or alcohol-related counseling may not return to work until they have been evaluated by a medical professional in a substance abuse treatment facility and have successfully passed a drug and/or alcohol test. Employees who return to work will be subject to follow-up tests, all of which will be unannounced.

Each of the following actions constitutes a refusal to submit to testing:

- Failure to provide an adequate urine, blood, breath or saliva specimen for a drug and/or alcohol test without a valid medical explanation
- Failure to be escorted to a testing facility
- Tampering with, adulterating or diluting a specimen
- Refusing to sign a Chain of Custody form at the testing facility.

Employees do have the option to refuse to submit to drug and/or alcohol tests; however, doing so will constitute a violation of this policy. Refusal to take a drug and/or alcohol test will also be considered a positive test result, which subjects the employee to disciplinary action(s). Job applicants who refuse to submit to drug and/or alcohol testing will be not considered for employment.

Disciplinary Actions

Employees who test positive for drugs and/or alcohol, or who refuse to submit to testing, will be subject to disciplinary action(s), up to and including termination. No employee who tests positive for drugs and/or alcohol will be allowed to return to work until he or she has done the following:

- Signed the Rehabilitation Agreement form
- Successfully completed an assessment and/or treatment for drug and/or alcohol abuse
- Received certification from a qualified medical professional that he or she is free from drug and/or alcohol use
- Taken a drug and/or alcohol test, received negative test results and consented to follow-up testing

Collection of Specimens and Testing

The Episcopal Diocese subscribes to the collection and testing procedures outlined by the Department of Health and Human Services (HHS). This protocol protects the privacy and confidentiality of the employee. Under certain circumstances, HHS requires that specimen donors

provide a fresh specimen in the presence of a witness; however, this only occurs if there is suspicion of any of the following:

- The specimen is not from the donor
- The specimen was altered or tampered with
- The collection is part of a post-treatment monitoring program
- The donor adulterated the previous specimen

All specimens collected for drug and/or alcohol testing will be processed using employees' social security numbers as identification to ensure confidentiality.

Necessary Forms

Specimens will be tracked using a Custody and Control Form from the point of submission through destruction. Employees submitting specimens will be required to sign Chain of Custody Forms. If an employee does not sign these forms, retests will be requested. An employee who refuses to sign after it is requested of him or her will be considered having refused testing and will be subject to disciplinary action.

Laboratory Testing

All drug and/or alcohol testing will be conducted in a laboratory certified by HHS, according to the following procedures: (1) specimens will be screened for amphetamines, benzoylecgonine (cocaine), opiates, phencyclidine (PCP) and tetrahydrocannabinol (THC or marijuana); and (2) test results will be confirmed by gas chromatography/mass spectrometry (GC/MS). The Episcopal Diocese reserves the right to test for other substances as well.

No specimen will be considered positive until it has been confirmed at the level established by HHS. If no established levels have been set by HHS for a tested substance, The Episcopal Diocese will hold the testing facility responsible for establishing an acceptable level.

Test results for alcohol revealing a blood alcohol content of .04 or greater will be considered positive.

Results

Positive test results will be reported to the Medical Review Officer (MRO), who will then contact the employee to discuss the results. Should the MRO be unable to contact the employee, he or she will contact The Episcopal Diocese for assistance. If the MRO cannot make contact with the employee within five days of testing or the results reveal a major safety concern, the MRO may disclose positive test results to The Episcopal Diocese. At that point, The Episcopal Diocese reserves the right to take the employee off active duty until the MRO is able to contact the employee. When the MRO does contact the employee, and only if he or she can provide a viable reason for why the test came back positive, then the positive test result will be reported to The Episcopal Diocese as negative.

Use of Prescription Medications

Nothing in this policy prohibits the appropriate use of prescription medication as legally prescribed by a licensed physician. If an employee is taking prescription medication with potential side effects that may infringe on the safety of the employee or others, he or she must notify The Episcopal Diocese. Failure to do so may result in disciplinary action, up to and including termination.

The Episcopal Diocese may contact the employee's physician to investigate whether it is necessary to impose restrictions on job duties as a result of the employee's use of prescription medication. If The Episcopal Diocese and the physician determine that the employee should be removed from performing his or her job duties, The Episcopal Diocese will notify the employee immediately.

Confidentiality

Results of all drug and/or alcohol testing will be kept separate from employee personnel files and treated as confidential information. All results, whether positive or negative, will not be shared with anyone outside of the employee's direct supervisory chain of command, except when absolutely necessary for treatment or physician confirmation purposes.

NOTE: The Episcopal Diocese may disclose the results of a drug and/or alcohol test to decision-makers in a lawsuit, grievance or other proceeding initiated by or on behalf of the employee.

Employee Assistance Program Policy

The Episcopal Diocese is well aware that substance abuse problems affecting individual employees may also affect their job performance and personal life. Although employees can usually resolve issues on their own, at times, they may benefit from additional assistance. The Episcopal Diocese proudly offers a free and confidential counseling service to employees and their family members (if applicable). This Employee Assistance Program (EAP) includes short-term counseling as well as referral services. This service is staffed by specialists qualified to assist with alcohol, drug, medical, marital, financial, legal, family and emotional problems.

The EAP is available to all employees, but is not required except when job performance, attendance or job responsibilities are negatively affected. All employees are welcome to make use of these services to better their personal lives.

In addition, an employee who voluntarily comes forward before violating this policy will be given the opportunity to seek treatment in accordance with the Voluntary Rehabilitation Agreement. In the event of a positive drug and/or alcohol test result, The Episcopal Diocese will refer the individual to available resources, either at the employee's expense, or that are covered by the company's health plan. Prior to entering treatment, the employee will be required to sign a form consenting to the release of information regarding his or her treatment and return-to-work status. Upon leaving the treatment facility, an evaluation will be required to demonstrate that treatment was completed successfully.

If treatment requires time away from work, the time will be unpaid, unless paid vacation, sick leave or other earned time away is used. Upon return to work, The Episcopal Diocese will remain in contact with the treatment facility to assure ongoing compliance with the recommended treatment. In addition, the employee will be required to submit to drug and/or alcohol testing for up to 60 months, at the discretion of The Episcopal Diocese. Should the individual test positive for any substance at any point during that time, he or she will be immediately terminated.

Harassment Policy

The Episcopal Diocese is committed to maintaining a work environment free from all forms of unlawful harassment, and where the individual dignity of each employee is respected. Our organization prohibits unlawful harassment against anyone, for any reason, including, but not limited to: race, color, sex, age, disability, religion, citizenship, national origin, ancestry, military status or veteran status, marital status, sexual orientation, domestic violence victim status, predisposing genetic characteristics and genetic information, and any other status protected by law. All employees and non-employees conducting business in our workplace must refrain from engaging in unlawful harassment.

DEFINITION

The creation of an intimidating or hostile working environment, based on one or more of the above categories, constitutes unlawful harassment. Specific types of unlawful harassment include, but are not limited to:

- Physical harassment refers to pushing, hitting, or unwanted physical touching;
- Verbal abuse refers to verbal comments regarding, or made because of, an individual's membership in one of the categories listed above;
- Written harassment refers to derogatory or degrading written comments regarding, or made because of, an individual's membership in one of the categories listed above. Specific examples include, but are not limited to: e-mail, text messages, memos, notes, graffiti, other visual depictions or pictures; and
- Inappropriate, unwelcomed behaviors, such as whistling, not giving someone enough physical space, and blocking behaviors.

Unlawful harassment, whether it is sexual, physical, verbal or written in nature, is a form of employee misconduct which undermines the integrity of the employment relationship within our organization.

REPORTING A CLAIM

Employees who believe they have been the subject of unlawful harassment should report their complaint immediately to their supervisor or Leadership. The organization will promptly and thoroughly investigate all complaints.

MANAGEMENT RESPONSIBILITIES

Supervisors who observe an employee violating this policy should take immediate action to stop the harassment. Supervisors who receive a complaint of harassment or obtain knowledge of harassment by other means must immediately notify Leadership, even if no complaint has been made by an employee, or even if the employee complaining has requested that no action be taken. A prompt and appropriate investigation, if necessary, will take place.

Supervisors are also responsible for ensuring that the organization is free from unlawful harassment by individuals outside the organization. This may include, but is not limited to: members, vendors, independent contractors, visitors, or any other individual conducting business in the workplace. Supervisors aware of this harassment are to notify Leadership immediately so the Diocese/Parish can appropriately respond to the situation.

CONFIDENTIALITY AND RETALIATION

It is the policy of the Episcopal Diocese that any reporting employee or employee participating in the investigation of a harassment complaint will not be retaliated against in any way. Complaints will be investigated promptly and confidentiality will be maintained to the greatest degree possible, consistent with our obligation to thoroughly investigate the allegation. Employees who feel that they have been retaliated against for reporting a complaint or participating in the investigation of a complaint should contact the Parish Leadership and/or the Bishop's Office.

CORRECTIVE ACTION

If a harassment complaint is found to be valid, immediate and appropriate corrective action will be taken. Employees who violate this policy, including the provision against retaliation, will be subject to disciplinary action, up to and including termination. This determination will be based on all the facts of the case.

Sexual Harassment Policy

The Episcopal Diocese is committed to maintaining a workplace free from sexual harassment. Sexual harassment is a form of workplace discrimination. All employees are required to work in a manner that prevents sexual harassment in the workplace. This Policy is one component of The Diocese's commitment to a discrimination-free work environment. Sexual harassment is against the law and all employees have a legal right to a workplace free from sexual harassment and employees are urged to report sexual harassment by filing a complaint internally. Employees can also file a complaint with a government agency or in court under federal, state or local antidiscrimination laws.

Policy:

1. The Diocese adopted the NYS Sexual Harassment Prevention policy and it applies to all employees including parishes and missions that have adopted the revised policy for the organization. This policy protects applicants for employment, interns, whether paid or unpaid, contractors and persons conducting business, regardless of immigration status. In the remainder of this document, the term "employees" refers to this collective group.
2. Sexual harassment will not be tolerated. Any employee or individual covered by this policy who engages in sexual harassment or retaliation will be subject to remedial and/or disciplinary action (e.g., counseling, suspension, termination).
3. Retaliation Prohibition: No person covered by this Policy shall be subject to adverse action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in any investigation of a sexual harassment complaint. The Diocese will not tolerate such retaliation against anyone who, in good faith, reports or provides information about suspected sexual harassment. Any employee of the Diocese who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to and including termination. All employees, paid or unpaid interns, or non-employees working in the workplace who believe they have been subject to such retaliation should inform a supervisor or manager. All employees, paid or unpaid interns or non-employees who believe they have been a target of such retaliation may also seek relief in other available forums, as explained below in the section on Legal Protections.
4. Sexual harassment is offensive, is a violation of our policies, is unlawful, and may subject the organization to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability. Employees of every level who engage in sexual harassment, including managers and supervisors who engage in sexual harassment or who allow such behavior to continue, will be penalized for such misconduct.
5. The Diocese will conduct a prompt and thorough investigation that ensures due process for all parties, whenever management receives a complaint about sexual harassment, or otherwise knows of possible sexual harassment occurring. The organization will keep the investigation confidential to the extent possible. Effective corrective action will be taken whenever sexual harassment is found to have occurred. All employees, including managers and supervisors, are required to cooperate with any internal investigation of sexual harassment.
6. All employees are encouraged to report any harassment or behaviors that violate this policy. The organization will provide all employees a complaint form for employees to report harassment and file complaints.

7. Managers and supervisors are required to report any complaint that they receive, or any harassment that they observe or become aware of, to the Parish or Mission Leadership/Priest/Bishop's office as appropriate.
8. This policy applies to all employees, paid or unpaid interns, and non-employees and all must follow and uphold this policy. This policy must be provided to all employees and should be posted prominently in all work locations to the extent practicable (for example, in a main office, not an offsite work location) and be provided to employees upon hiring.

What Is “Sexual Harassment”?

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment.
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “quid pro quo” harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of sexual harassment

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:

- Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
- Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name-calling.

Who can be a target of sexual harassment?

Sexual harassment can occur between any individuals, regardless of their sex or gender. New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. Harassers can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor.

Where can sexual harassment occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage by employees can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or during non-work hours.

Retaliation

Unlawful retaliation can be any action that could discourage a worker from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.”

Protected activity occurs when a person has:

- made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of harassment;
- reported that another employee has been sexually harassed; or
- encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment

Preventing sexual harassment is everyone’s responsibility. The Episcopal Diocese/Parish/Mission cannot prevent or remedy sexual harassment unless it knows about it. Any employee, paid or unpaid intern or nonemployee who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor or manager. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to a supervisor or manager.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is attached to this Policy, and all employees are encouraged to use this complaint form. Employees who are reporting sexual harassment on behalf of other employees should use the complaint form and note that it is on another employee’s behalf.

Employees, paid or unpaid interns or non-employees who believe they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

All supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to Parish Leadership or Bishop's Office as appropriate.

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

Complaint and Investigation of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. All persons involved, including complainants, witnesses and alleged harassers will be accorded due process, as outlined below, to protect their rights to a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. The Diocese will not tolerate retaliation against employees who file complaints, support another's complaint or participate in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

- Upon receipt of complaint, The Diocese appointed management will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate. If complaint is verbal, encourage the individual to complete the "Complaint Form" in writing. If he or she refuses, prepare a Complaint Form based on the verbal reporting.
- If documents, emails or phone records are relevant to the investigation, take steps to obtain and preserve them.
- Request and review all relevant documents, including all electronic communications.
- Interview all parties involved, including any relevant witnesses;
- Create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - A list of all documents reviewed, along with a detailed summary of relevant documents;
 - A list of names of those interviewed, along with a detailed summary of their statements;
 - A timeline of events;
 - A summary of prior relevant incidents, reported or unreported; and
 - The basis for the decision and final resolution of the complaint, together with any corrective action(s).
- Keep the written documentation and associated documents in a secure and confidential location.
- Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- Inform the individual who reported of the right to file a complaint or charge externally as outlined in the next section.

Legal Protections And External Remedies

Sexual harassment is not only prohibited by the Diocese, but is also prohibited by state, federal, and, where applicable, local law.

Aside from the internal process at the Diocese, employees may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, you may seek the legal advice of an attorney.

In addition to those outlined below, employees in certain industries may have additional legal protections.

State Human Rights Law (HRL)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects employees, paid or unpaid interns and non-employees, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the Diocese does not extend your time to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment.

You do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. You may call (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal antidiscrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. §2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if

discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists. For example, employees who work in New York City may file complaints of sexual harassment with the New York City Commission on Human Rights. Contact their main office at Law Enforcement Bureau of the NYC Commission on Human Rights, 40 Rector Street, 10th Floor, New York, New York; call 311 or (212) 306-7450; or visit www.nyc.gov/html/cchr/html/home/home.shtml.

Contact the Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

Standards of Conduct Policy

The work rules and standards of conduct for the Diocese are important, and the organization regards them seriously. All employees are urged to become familiar with these rules and standards. In addition, employees are expected to follow the rules and standards faithfully in doing their jobs and conducting business on behalf of The Episcopal Diocese. Please note that any employee who deviates from these rules and standards will be subject to disciplinary action, up to and including termination of employment.

While not intended to list all the forms of behavior that are considered unacceptable in the workplace, the following are examples of rule infractions or misconduct that may result in disciplinary action.

- Theft or inappropriate removal or possession of property
- Falsification of timekeeping records
- Working under the influence of alcohol or illegal drugs
- Possession, manufacture, distribution, sale, transfer, dispensation or use of alcohol or illegal drugs
- Fighting or threatening violence in the workplace
- Immoral actions or intimidating others
- Boisterous or disruptive activity in the workplace
- Negligence or improper conduct leading to damage of Company or customer property
- Insubordination or other disrespectful conduct
- Violation of safety or health rules
- Smoking in the workplace
- Sexual or other unlawful or unwelcome harassment or touching
- Excessive absenteeism or any absence without notice
- Unauthorized use of telephones or other Company equipment
- Using Company equipment for purposes other than business (e.g., playing games on computers or personal Internet usage)
- Unauthorized disclosure of confidential information
- Violation of Diocesan policies
- Unsatisfactory performance or conduct

These rules apply to any and all interactions with visitors, fellow employees or anyone else associated with the workplace.

Violence in the Workplace Policy

It is The Episcopal Diocese's policy to provide a workplace that is safe and free from all threatening and intimidating conduct. Therefore, The Diocese will not tolerate violence or threats of violence of any form in the workplace, at work-related functions or outside of work if it affects the workplace. This policy applies to Organization employees, clients, customers, guests, vendors and persons doing business with The Diocese.

It is a violation of this policy for any individual to engage in any conduct, verbal or physical, that intimidates, endangers or creates the perception of intent to harm persons or property. Examples include but are not limited to:

- Physical assaults or threats of physical assault, whether made in person or by other means (i.e., in writing, by phone, fax or email)
- Verbal conduct that is intimidating and has the purpose or effect of threatening the health or safety of a co-worker
- Any other conduct or acts that management believes represent an imminent or potential danger to workplace safety or security

Anyone with questions or complaints about workplace behaviors that fall under this policy may discuss them with the Parish Leadership or Office of The Bishop. The organization will promptly and thoroughly investigate any reported occurrences or threats of violence. Violations of this policy will result in disciplinary action, up to and including immediate termination of employees. Where such actions involve non-employees, The organization will take action appropriate for the circumstances. Where appropriate and/or necessary, The organization will also take whatever legal actions are available and necessary to stop the conduct and protect employees and property.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The Episcopal Diocese provides an EAP for employees and their family members. Employees are encouraged to use the EAP whenever they feel the need for guidance with personal problems. For employees who have difficulty handling drugs or alcohol, the EAP can provide information on treatment. The EAP is a confidential service.

Weapons in the Workplace Policy

Unless prohibited by state law, The Episcopal Diocese prohibits the possession of firearms or any other lethal weapon on Diocese property, in a vehicle being used on Diocese business, in any Diocese-owned or leased parking facility or at a work-related function. This applies to all employees, visitors and customers on Diocese property, even those who are licensed to carry weapons. The only exception to this is an employee who is required to possess weapons to fulfill his or her job duties.

Some examples of prohibited weapons include:

- Firearms (pistols, revolvers, shotguns, rifles and bb guns)
- Knives (switchblades, gravity knives or any knife with a blade longer than three inches)
- Metal knuckles
- Bows and arrows
- Tasers

We prohibit weapons to ensure the safety and security of all employees and persons visiting the Diocese. Any employee found in violation of this policy will be subject to disciplinary action, up to and including immediate termination. If you have questions or concerns regarding this policy, please contact your Leadership.

Employee Benefits

Extension of Benefits

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Health Insurance

To aid employees in covering the cost of medical care, our Diocese offers a health insurance program. Resolution A177, passed at General Convention in 2009, requires Dioceses to establish a cost-sharing policy that is the same for both clergy and lay employees that are scheduled to work 1,500 or more hours annually. Employers must be in compliance by January 1, 2013. In 2012, the 77th General Convention reaffirmed that all parishes and missions are to be enrolled in the Episcopal Church Medical Trust by December 31, 2012. The implementation of this resolution was amended to state: "parity in cost-sharing shall be achieved between clergy and lay employees as soon as possible, but no later than December 31st, 2015.

ELIGIBILITY

Employees who are scheduled to work 1,000 or more hours annually are eligible to join our group health insurance plan on the first of the month following their date of hire. Employees who enroll in our group health insurance plan will also automatically be enrolled in our pre-tax premium plan.

COST

To assist with the escalating cost of health insurance, our organization may pay a portion of the premium, the remainder to be paid by the employee through pre-tax dollars via payroll deduction. When you become eligible for coverage, you will receive material which more fully describes your insurance benefits including information on deductibles, co-payments etc.

As a part of our benefits review process, the cost of health insurance is evaluated periodically and the ratio of employer/employee contribution is subject to change.

HEALTH INSURANCE COVERAGE AT TERMINATION

Premiums for health insurance will be paid through the last day of the month in which the termination of employment occurred. Employees who have health insurance with our organization may have the option of continuing these benefits under the Extension of Benefits Program. Refer to the official notice for further information. If you have not received a notice or cannot locate it, please contact the Benefits Administrator.

This is intended as a brief introduction to the Health Insurance Plan. A more thorough explanation of the plan is contained in the Summary Plan Descriptions, plan documents, and insurance policies available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply. The Episcopal Diocese and, if applicable, the benefit plan administrators or insurance companies, reserve the maximum discretion and right permitted by law to administer and interpret the health plan, as well as to amend, modify or terminate the plan at any time for any reason.

Dental Insurance

Our organization recognizes that regular dental care is essential to good health. With this in mind, we offer eligible employees a dental insurance program designed to provide preventive and remedial dental care.

ELIGIBILITY

Employees who are scheduled to work 1,000 or more hours annually are eligible to join our group dental insurance plan on the first of the month following their date of hire. Employees who enroll in our group dental insurance plan will also automatically be enrolled in our pre-tax premium plan.

BENEFITS

This plan is designed to encourage preventive and remedial dental care. Covered services are detailed in the plan booklets provided by the insurance carrier. A copy of this booklet is available from the Benefits Administrator.

COST

Our organization may assist employees with the cost of this insurance by paying a portion of the premium for employee, two-person, or family coverage.

DENTAL INSURANCE COVERAGE AT TERMINATION

Premiums for dental insurance will be paid through the last day of the month in which the termination of employment occurred. Employees who have dental insurance with our organization may have the option of continuing these benefits under the Extension of Benefits Program. Refer to the official notice for further information.

This is intended as a brief introduction to the Dental Insurance Plan. A more thorough explanation of the plan is contained in the Summary Plan Description, plan documents, and insurance policies available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Vision Care Plan

To aid employees in covering the cost of vision care, our organization offers a vision plan.

ELIGIBILITY

Employees who are scheduled to work 1,500 or more hours annually are eligible to join our vision care plan on the first of the month following their date of hire. Employees who enroll in our group vision care plan will also automatically be enrolled in our pre-tax premium plan.

COST

To assist with the cost of vision care, our organization may pay a portion of the premium for employee, two-person or family.

VISION COVERAGE AT TERMINATION

Premiums for the vision plan will be paid through the last day of the month in which the termination of employment occurred. Employees who have health insurance with our company may have the option of continuing these benefits under the Extension of Benefits Program. Refer to the official notice for further information.

This is intended as a brief introduction to the Vision Plan. A more thorough explanation of the plan is contained in the Summary Plan Descriptions, plan documents and insurance policies available from the Benefits Administrator or employees can access it from the Employee Portal. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Pre-Tax Premium Plan

Employees of the Episcopal Diocese may participate in our pre-tax premium plan. The advantage of a pre-tax premium plan is that it allows employees to pay for certain insurance benefits on a pre-tax basis.

ELIGIBILITY

All employees who enroll in the health insurance plan and/or dental insurance plan are eligible to join our pre-tax premium plan.

BENEFITS

Our pre-tax premium plan allows employees to save taxes on the money they pay toward health and dental insurance. Under this plan employee premiums are deducted from gross pay before taxes are deducted. By reducing gross wages, employees pay fewer taxes on the money that they earn.

ENROLLMENT

Eligible employees who enroll in our group health or dental insurance programs will automatically be enrolled in the pre-tax premium plan.

CHANGES IN BENEFIT ELECTIONS

Generally, after signing the pre-tax premium plan enrollment form, employees may not change their benefit plans until the beginning of the next plan year. An eligible employee may make a mid-year election change, however, upon the occurrence of certain qualifying events, provided the change is made because of, and consistent with, such event. The qualifying events for a mid-year election change can include:

- Certain significant changes in health plan coverage or costs;
- Certain changes in family status; or
- Certain changes in the employment status of the employee or his or her spouse.

A complete list of the qualifying events for a mid-year election change can be found in the Summary Plan Description.

This is intended as a brief introduction to the pre-tax premium plan. A more thorough explanation of the plan is contained in the Summary Plan Description, plan documents, and insurance policies available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Health Savings Account

Employees of the Episcopal Diocese participating in our High Deductible Health Plan (HDHP) may participate in a Health Savings Account (HSA). The advantage of an HSA is that money going into the HSA is tax-free, earns interest tax-free, and is not taxed when withdrawn to pay for qualified medical, dental, and vision expenses.

ELIGIBILITY

Employees participating in our High Deductible Health Plan are eligible to participate in the HSA immediately upon hire. Employees participating in our Flexible Spending Account Plan are not eligible to participate in an HSA.

CONTRIBUTIONS

Our organization may provide an employer contribution into an HSA for eligible participants. Eligible employees may also contribute to their HSA.

The annual maximum deposit to an HSA is based on the federal tax-deductible limits on HSA contributions.

All HSA contributions become the property of the employee, regardless of the source of contributions. Funds deposited but not withdrawn each year will carry over into the next year. If an employee ends his or her HSA-eligible insurance coverage (e.g. because the employee ends participation in a High Deductible Plan or separates from service), the employee loses eligibility to deposit further funds but funds already in the HSA remain available for use for qualified expenses for the lifetime of the employee and his or her spouse.

ENROLLMENT

To participate in an HSA, please see your Benefits Administrator for the appropriate forms.

WITHDRAWALS

Individuals may withdraw all or a portion of their HSA funds at any time. The maximum amount an employee can withdraw is equal to the account balance at that time. Additional amounts can be withdrawn as funds become available to pay for qualified expenses.

Withdrawals for non-medical expenses are subject to income taxes as well as a 20% penalty. This tax treatment will apply to any amount of HSA withdrawals for which there is no proof that the funds were spent on a qualifying expense.

This is intended as a brief introduction to our Health Savings Account. A more thorough explanation of the HSA is available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and any official plan documents, the official plan documents will apply.

Life Insurance

A group life insurance policy is provided for eligible employees. Accidental Death and Dismemberment coverage is included in this group policy.

ELIGIBILITY

All employees are eligible for this insurance coverage on the first of the month following their date of hire. To enroll, employees must complete the necessary forms and give them to the Benefits Administrator. The insurance policy will become effective after our organization has submitted the forms to the insurance organization and the insurance company has approved the organization.

AMOUNT OF COVERAGE

An employee's amount of life insurance coverage is equal to the amount of one times their annual salary, with a minimum of \$10,000 and a maximum of \$50,000, unless otherwise indicated in an agreement.

PREMIUM COST

The premium for this insurance is paid for by the employer.

The cost of any organization paid life insurance coverage in excess of \$50,000 must be reported as income on the employee's IRS W-2 Form each year.

BENEFICIARY DESIGNATION

Employees enrolled in the life insurance benefit will be required to designate a beneficiary upon enrollment. Designations may be changed by written request at any time. Beneficiaries will be eligible to receive the full amount of the employee's life insurance coverage in the event of the employee's death in accordance with the terms of the plan.

LIFE INSURANCE

Coverage ceases on the last day of the month in which the termination of employment occurred. Employees may have the option of converting their group insurance policy to an individual policy. Contact the Benefits Administrator for more details.

This is intended as a brief introduction to the Life Insurance Plan. A more thorough explanation of the plan is contained in the Summary Plan Description, plan documents, and insurance policies available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Retirement Income-Church Pension Fund

Ordained Employees (except clergy retired from the Church Pension Fund): All Employers must contribute 18% of “Total Assessable Compensation” (TAC), as defined by the Church Pension Fund (CPF), for eligible clergy, towards the clergy pension plan. These contributions also fund group life insurance, short term disability and Medicare supplemental coverage for clergy.

In addition to the defined benefit plan provided by CPF, clergy employees may participate in the RSVP plan (403-B) offered by the Church Pension Group (CPG).

Eligibility to participate in these plans begins immediately upon employment and ends on the last day of employment. All employer & employee contributions are subject to IRS regulations that may limit contributions to certain plans in any given year.

Lay Employees: Resolution A138 of the 2009 General Convention requires that all lay employees scheduled to work 1,000 hours or more annually must be provided with a lay pension plan benefit by January 1st, 2013. And, that these plans be administered and designed by The Church Pension Fund.

For defined contribution plans, A138 requires that the employer contribute not less than 5% of the employee’s compensation AND also match (on a dollar-for-dollar basis) not less than 4% of compensation. Therefore, an employee that contributes 4% of their own pay would receive another 9% from the employer, for a total contribution of 13%. This resolution forms the minimum requirement that applies to all employers within the Diocese of Rochester.

Historically the Diocesan policy recommended that employers (Parishes) contribute 12% of the employee’s salary, utilizing the Church Pension Fund (CPF) lay pension program.

Effective January 1st, 2015, the Diocese recommends that all employers contribute 8% of the employee’s salary as an “employer base contribution” and up to an additional 4% “employer matching contribution”, for a total of 12% maximum employer contribution (for employees that contribute 4 % or more to their plan). Employers may elect to “migrate” to this level of benefit by changing the base contribution by 1% point, per year until they reach 8% employer base contribution.

For Defined Contribution Plans:

ELIGIBILITY

Eligible employees are enrolled in the Church Pension Fund on first of the month following their date of hire, and after completing the necessary enrollment forms.

EMPLOYEE ELECTIVE CONTRIBUTIONS

Plan participants may elect to contribute a percentage of their compensation to the retirement plan, subject to the terms of the plan and certain established federal limitations.

EMPLOYER MATCHING CONTRIBUTIONS

The organization may contribute amounts to the participant's retirement plan.

VESTING

Employee and employer contributions are always 100 percent vested in the full amount of their contributions which means that employee contributions are non-forfeitable in the event employment terminates.

INVESTMENT OF ACCOUNTS

Participating employees may direct how their account balances are invested by choosing among several investment options offered under the plan.

ADDITIONAL INFORMATION

Additional information about an employee's Church Pension Fund account can be obtained by contacting the Benefits Administrator.

This is intended as a brief introduction to the Church Pension Fund. A more thorough explanation of the plan is contained in the Summary Plan Description and plan documents available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Short Term Disability Insurance

A loss of income due to disability can be destructive to an individual's or family's security. For this reason, our organization provides eligible employees with short-term disability insurance. This insurance program assists employees in replacing lost income in the event that an employee is disabled due to an off-the-job injury, illness, or pregnancy.

ELIGIBILITY

All employees who cannot work due to a non-job-related disability are covered under this short-term disability insurance program if they meet the eligibility requirements of the New York State Disability Benefits Law.

BENEFITS

The benefits begin on the eighth calendar day of the disability and may continue for up to 26 weeks. Disability benefits are 50 percent of the employee's average weekly wage (based on the last eight weeks of employment) up to a maximum weekly benefit of \$170.00.

SUPPLEMENTAL SHORT-TERM DISABILITY INSURANCE

The Diocese encourages all employers to provide additional supplemental short-term disability insurance at no additional cost to the employee.

COST

The cost of state-mandated short-term disability insurance may be shared between the employee and the Diocese. However, the cost to the employee is no greater than \$.60 each week and may be deducted from the employee's paycheck.

LEAVE ENTITLEMENT

Employees are eligible for a Disability Leave. See the Disability Leave policy for more information.

EMPLOYEE'S RESPONSIBILITY

Employees must notify the Benefits Administrator immediately if they anticipate being on a medical leave beyond seven calendar days.

This is intended as a brief introduction to the Short-Term Disability Insurance. A more thorough explanation of the plan is contained in the Summary Plan Description and plan documents available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Long-Term Disability Insurance

Income protection is vital to anyone disabled for a long period of time. For this reason, the Episcopal Diocese offers eligible employees a long-term disability insurance plan which provides income protection during extended periods of disability.

ELIGIBILITY

Employees are eligible to participate in this plan through the Church Pension Group.

BENEFITS

The payment of long-term disability insurance benefits is contingent upon being totally disabled due to illness or non-occupational injury. Total disability is defined in the plan documents.

COST

The cost of this insurance is paid for by the employee.

EMPLOYEE'S RESPONSIBILITY

Employees who are on long-term disability are responsible for notifying the organization of any change in their return-to-work status.

This is intended as a brief introduction to the Long-Term Disability Plan. A more thorough explanation of the plan is contained in the Summary Plan Description and plan documents available from the Benefits Administrator. In the event of a discrepancy between the terms of this policy and the official plan documents, the official plan documents will apply.

Social Security

All employees are covered by this federal program, which is funded through payroll taxes known officially as the Federal Insurance Contributions Act (FICA) taxes.

BENEFITS

Social Security is an important benefit for employees and their families as it provides death, disability, and retirement benefits.

COST

The cost of this coverage is determined by law. The rates are subject to change in accordance with legislated amendments by Congress. The required amount of an employee's contribution will be deducted automatically from his or her paycheck.

ADDITIONAL INFORMATION

Questions regarding the Social Security program should be directed to the Social Security Administration, which has answers to many common questions on its website at www.ssa.gov. Questions regarding an individual's FICA or other payroll tax deductions should be directed to the supervisor.

SECA ALLOWANCE FOR ORDAINED STAFF

It is the policy of the Diocese to pay ordained clergy staff a Self-Employment Contributions Act (SECA) "SECA allowance" based on total salary (including housing) at the applicable SECA rate (currently 15.3%) for all full-time and part-time clergy staff.

Employee Assistance Program

On occasion, everyone has personal problems. Usually these problems are resolved with the support of relatives and close friends. But sometimes, employees or members of their family may find that they would benefit from the assistance of a trained counselor. It is for this reason that The Episcopal Diocese provides an Employee Assistance Program (EAP) to employees and family members who may need help with personal or behavioral problems.

ELIGIBILITY

Our EAP, which is offered through the Cigna, is available to all employees and their family members.

BENEFITS

Through this program, confidential advice and short-term counseling are provided for any employee or member of an employee's family who requests it, or for an employee who is referred by his or her supervisor. Common problems addressed through counseling include alcoholism, drug abuse, financial difficulties, family tensions and conflicts with co-workers. EAP can assist achieving work/life balance by assisting with identify left, child care, senior care, pet care and education guidance.

The privacy of employees and their family members is protected at all times. The Diocese is not informed when anyone seeks assistance, unless the individual so requests, or the organization refers the employee to the program as a requirement of continued employment.

COST

The Episcopal Diocese pays the full cost of the Employee Assistance Program. Employees are responsible for the cost of outside referrals. However, the cost for outside referral help may be covered by the Episcopal Diocese group health insurance program.

ADDITIONAL INFORMATION

Employees may contact Cigna at (866) 395-7794 or CignaBehavioral.com. If they are unable to reach help at the EAP number and it is a crisis situation, employees should call 911. If it is not a crisis situation, employees may contact Finger Lakes Region 2-1-1 at 1-877-356-9211, by dialing 211, or by visiting www.211fingerlakes.org. The Finger Lakes Region 211 offers referrals for emergency food, shelter, clothing, crisis counseling, substance abuse issues, employment, financial and legal issues and physical and mental health needs.

Domestic Partner Benefits

The Episcopal Diocese allows employees to obtain allowable benefits for themselves and their domestic partners. If the domestic partner is not the employee's income tax dependent under applicable IRS rules, then the value of the employer-provided benefits (including any such coverage paid for on a pre-tax basis) may be added to the employee's taxable earnings. If you need further advice on this issue, please consult your tax advisor.

ELIGIBILITY

Domestic partners of current employees, including same sex and opposite sex partners and children of a current domestic partner are eligible for health insurance and dental insurance benefits. Domestic partners must meet the following requirements:

- Have an exclusive mutual commitment, similar to that of marriage;
- Are each other's sole domestic partner and intend to remain so indefinitely;

TAX IMPLICATIONS

Time Away from Work

Federal Family and Medical Leave Policy

As an employee of The Episcopal Diocese, you may be eligible to take unpaid family and medical leave under the federal Family and Medical Leave Act (FMLA). This policy provides an introduction to the rights and provisions of the federal FMLA. An FMLA summary that is based on the Department of Labor's (DOL's) model notice is attached to this policy and further explains the FMLA. If you have questions regarding the FMLA, please contact Human Resources.

Eligibility

To be eligible for leave, you must have been employed by the Company for at least 12 months. In the 12 months immediately preceding the beginning of the leave, you must also have worked at least 1,250 hours to qualify for federal FMLA. In addition, you must work in an office or work site where 50 or more employees are employed within 75 miles of that office or work site.

Amount of Leave Available

Eligible employees may take up to a total of 12 weeks of FMLA leave within a rolling 12-month period, measured backward from the date an employee uses any FMLA leave, for any combination of the following reasons:

- The birth of an employee's newborn child or the placement of a child with the employee for adoption or foster care
- To care for the employee's spouse, child or parent with a serious health condition
- The employee has a serious health condition that makes the him or her unable to perform the functions of their job
- A qualifying exigency that arises because the employee's spouse, child or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty)

Where leave is taken to care for a covered service member with a serious injury or illness, a spouse, child, parent or next of kin may take up to 26 weeks of unpaid FMLA leave during a single 12-month period.

Under the federal FMLA, spouses employed by the Company are jointly entitled to a combined total of 12 weeks of leave for the birth of a newborn child, for the placement of a child for adoption or foster care and to care for a parent who has a serious health condition. The federal FMLA does not cover care for parents-in-law. Spouses employed by the Company are jointly entitled to a combined total of 26 weeks of leave to care for a covered service member with a serious injury or illness, for the birth of a newborn child, for the placement of a child for adoption or foster care and to care for a parent who has a serious health condition.

Types of Leave Available

Birth or Placement for Adoption or Foster Care: FMLA leave is available to eligible male and female employees for the birth of a child or for the placement of a child with the employee for purposes of adoption or foster care. FMLA leave must be completed within 12 months of the birth or placement. This type of leave may not be taken intermittently or on a reduced schedule unless the Company agrees to this request. See below for more details on non-continuous leave.

Serious Health Condition of Employee: If, as an eligible employee, you experience a serious health condition as defined by the FMLA, you may take medical leave under this policy (see “Definitions” for the definition of serious health condition). A serious health condition generally occurs when you:

- Receive inpatient care in a hospital, hospice or nursing home
- Suffer a period of incapacity accompanied by continuing outpatient treatment or care by a health care provider
- Have a history of a chronic condition that may cause episodes of incapacity

The following provisions apply to leave for the serious health condition of an employee:

- *Non-continuous leave*—Medical leave may be taken all at once or, when medically necessary, intermittently or on a reduced leave schedule (see below).
- *Certification process*—The need for leave must be documented by your treating health care provider through our medical certification process (see below).
- *Fitness-for-duty statement*—A fitness-for-duty statement will be required in order for you to return from a medical leave. Failure to provide the statement will result in a delay in your return to work.

Serious Health Condition of Immediate Family Member: If, as an eligible employee, you need family leave in order to care for your child, spouse or parent who experiences a serious health condition as defined by the FMLA (see “Definitions” for definitions of child, spouse, parent and serious health condition), you may take a leave under this policy.

- *Non-continuous leave*—Leave may be taken all at once or, when medically necessary, intermittently or on a reduced leave schedule (see below).
- *Certification process*—The need for leave must be documented by the family member’s treating health care provider through our medical certification process (see below).

Qualifying Exigency Because of Active Duty: If, as an eligible employee, you need family leave because of any qualifying exigency arising out of the fact that your spouse, son, daughter or parent is on covered active duty in the Armed Forces (including the National Guard or Reserves), or has been notified that they will be called or ordered to covered active duty in the Armed Forces (including the National Guard or Reserves), you may take family leave under this policy. (See “Definitions” for a definition of qualifying exigency)

Time Away From Work

- *Non-continuous leave*— Family leave for any qualifying exigency arising out of the covered active duty of a family member may be taken all at once, intermittently or on a reduced leave schedule (see below).
- *Certification process*—The need for leave must be documented through our certification process (see below).

Service Member Family Leave: If, as an eligible employee, you need family leave to care for a covered service member who is your spouse, child, parent or next of kin and who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status or is otherwise on the temporary disability retired list for a serious injury or illness, you may take up to 26 weeks of unpaid leave during a single 12-month period under this policy. (See “Definitions” for a definition of covered service member and serious injury or illness)

Effective March 8, 2013, an eligible employee may take service member family leave to care for a covered veteran who is the employee’s spouse, child, parent or next of kin and who is undergoing medical treatment, recuperation or therapy for a serious injury or illness. (See “Definitions” for a definition of covered veteran)

- *Non-continuous leave*—Service member family leave may be taken all at once or, when medically necessary, intermittently or on a reduced leave schedule (see below).
- *Certification process*—The need for leave must be documented by the family member’s treating health care provider through our medical certification process (see below).

Notifying the Company of the Need for Family or Medical Leave

Generally, an application for leave must be completed for all leave taken under this policy. A non-emergency leave should generally be requested from Human Resources at least 30 days, or as soon as practical, in advance of the date the leave is expected to begin. In cases of emergency, you (or your representative, if you are incapacitated) should give verbal notice as soon as possible, and the application form should be completed as soon as practical. Failure to provide adequate notice may, in the case of foreseeable leave, result in a delay or denial of leave. It is your responsibility to notify your manager and Human Resources of absences that may be covered by the FMLA.

You must provide sufficient information regarding the reason for an absence for the Company to know that protection may exist under this policy. Failure to provide this information will result in delay or forfeiture of rights under this policy. This means the absence may then be counted against your record for purposes of discipline for attendance or similar matters.

Medical Certification Process

In addition to an application for leave, you will be required to complete a medical certification form when leave is for a family member’s or your own serious health condition. The certification form needs to be signed by the health care provider. The short-term disability certification may be sufficient where the information required is duplicative. These forms are available from Human Resources. Second or third certifications from health care providers and periodic recertification at the Company’s or your expense may be required under certain circumstances.

We may also require periodic reports during federal FMLA leave regarding your status and intent to return to work.

Military Family Leave Certifications

In addition to an application for leave, you will be required to complete a Certification of Qualifying Exigency for Military Family Leave form when leave is for a qualifying exigency. A copy of the military member's active duty orders or other military documentation may also be required to substantiate your need for FMLA leave.

If you request leave to care for a covered service member with a serious injury or illness, you will be required to complete a medical certification form, which must be signed by the service member's health care provider. The certification form will request additional information, such as information regarding the relationship between you and the covered service member, to substantiate your need for FMLA leave.

Substituting Paid Leave for Unpaid Leave

Federal FMLA leave is unpaid. The Company requires you to substitute vacation days according to the schedule below. You may also choose to substitute additional paid or unpaid leave that you have accrued.

When you substitute vacation days or other paid leave, the absence will be counted against your entitlement to FMLA leave under this policy and will not extend your leave. In other words, you are using your paid leave concurrently with your FMLA leave.

Eligible Vacation Remaining	Required Substitution
Less than 5 days	None
5-8 days	3 days
9-12 days	5 days
13-16 days	7 days
17-20 days	9 days

When an employee is absent due to a work-related illness or injury that meets the definition of a serious health condition, the absence will be counted against the employee's entitlement under this policy. In other words, the employee is using FMLA leave concurrently with the workers' compensation absence. An employee is not required to substitute paid time off for an absence covered under workers' compensation.

You may be paid for all or part of a medical leave to the extent you are eligible for benefits such as short-term disability. An employee is not required to substitute paid time off for an absence covered under a disability benefit plan.

Non-Continuous Leave

Intermittent or reduced leave will be permitted only when it is medically necessary or for a qualifying exigency, as explained above. In all cases, the total amount of leave taken in a calendar year should not exceed your total allotment as defined earlier in this policy.

Time Away From Work

Intermittent and reduced schedule leave must be scheduled with minimal disruption to an employee's job. To the extent possible, medical appointments and treatments related to an employee's or family member's serious health condition should be scheduled outside of working hours or at such times that allow for a minimal amount of time away from work.

If you request non-continuous federal FMLA leave which is foreseeable based on planned medical treatment for yourself, a family member or a covered service member, you may be required to transfer temporarily to an available alternative position offered by the Company for which you are qualified and which better accommodates recurring periods of leave than your regular employment position. You will be entitled to equivalent pay and benefits, but will not necessarily be assigned the same duties in the alternative position. This provision may also apply if the Company approves a non-continuous leave for the birth of a child or the placement of a child for adoption or foster care.

Benefit Continuation during Leave

The Company will maintain your group health plan coverage and certain other employment benefits (such as group life insurance, AD&D insurance and health and dependent flexible spending accounts) during your FMLA leave on the same terms as if you had continued to work, if these benefits were provided to you before the leave was taken. You will be required to pay your regular portion of premiums – contact Human Resources for an explanation of your options.

Benefits that are accumulated based upon hours worked will not accumulate during the period of FMLA leave.

In some instances, the Company may recover premiums it paid to maintain health plan coverage for an employee who fails to return to work from FMLA leave.

Returning to Work

If the reason for FMLA leave is for your own serious health condition, you will be required to present a fitness-for-duty certification immediately upon return to work.

If you wish to return to work before the scheduled expiration of FMLA leave, you must notify the Company of the change in circumstances as soon as possible, but no later than two working days prior to your desired return date.

If you exhaust all leave under this policy and are still unable to return to work, you must notify the Company as soon as possible. Your situation will be reviewed to determine what rights and protections might exist under other Company policies.

Rights upon Return from Leave

Upon return from family or medical leave, you will be returned to the position you held immediately prior to the leave, if the position is vacant. Certain exceptions exist for key employees, as defined by law. If the position is not vacant, you will be placed in an equivalent employment position with equivalent pay, benefits and other terms and conditions of employment.

The law provides that an employee has no greater rights upon a return from leave than the employee would have had if the employee had continued to work. Therefore, you may be affected by a layoff, termination or other job change if the action would have occurred had you remained actively at work.

Other Types of Leave

If you do not qualify for the types of leave described in this policy, the Company may approve a personal leave of absence, depending on your circumstances. Except where mandated by law, we cannot guarantee that benefits will continue or that your position will remain open in your absence.

Definitions

“Spouse”— A husband or wife as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into. This definition also includes an individual in a same-sex or common law marriage that was entered into in a state that recognizes these marriages. An opposite-sex, same-sex or common law marriage that was entered into outside of any state will be recognized if the marriage is valid in the place where it was entered into and the marriage could have been entered into in at least one state.

“Parent”—A biological parent, adoptive parent, stepparent, foster parent or an individual who provides or provided day-to-day care or financial support to the child. Parent does not include a parent-in-law under this law.

“Child”—A biological, adopted or foster child, stepchild, legal ward or a child who is receiving day-to-day care or financial support from the employee and is under the age of 18. Child also includes a person 18 years of age or older who is incapable of self-care because of a mental or physical disability. For military family leave, the child does not have to be a minor (under the age of 18) and can be of any age.

- “Incapable of self-care”—The child requires active assistance or supervision to provide daily self-care in three or more “activities of daily living,” or “instrumental activities of daily living,” including adaptive activities such as caring appropriately for one’s grooming and hygiene, bathing, dressing, eating or instrumental activities such as shopping, taking public transportation or maintaining a residence.
- “Physical or mental disability”—A physical or mental impairment that substantially limits one or more major life activities of the individual.

“Covered Service Member”— A member of the armed forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status or is otherwise on the temporary disability retired list for a serious injury or illness.

“Covered Veteran”—An individual who is undergoing medical treatment, recuperation or therapy for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves), and was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran.

“Next of Kin”—Used with respect to an individual, this means the nearest blood relative of that individual, other than the spouse, parent or child.

“Serious Health Condition”—Illness, injury, impairment, or physical or mental condition that involves:

- Inpatient care in a hospital, hospice or residential medical care facility.

Time Away From Work

- A period of incapacity of more than three consecutive calendar days (including any subsequent treatment or period of incapacity relating to the same condition) that also involves: 1) treatment two or more times within 30 days of the first day of incapacity, unless extenuating circumstances exist, by or under the orders of a health care provider; or 2) treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of a health care provider. The first (or only) visit must occur in person within seven days of the first day of incapacity.
- Any incapacity due to pregnancy or for prenatal care.
- Chronic conditions requiring periodic treatment by or under the supervision of a health care provider, which continue over an extended period of time and may cause an episodic rather than a continuing period of incapacity (for example, asthma, diabetes and epilepsy).
- Permanent or long-term conditions requiring supervision for which treatment may not be effective (for example, Alzheimer's, a severe stroke or the terminal stages of a disease).
- Multiple treatments by or under the supervision of a health care provider either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy), severe arthritis (physical therapy) or kidney disease (dialysis).

“Serious Injury or Illness”—can be:

- In the case of a member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank or rating.
- In the case of a veteran who was a member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran and is:
 - A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank or rating;
 - A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for servicemember family leave;
 - A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or

Time Away From Work

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care

Time Away From Work

provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose, or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days' notice of the need to take FMLA leave when the need is foreseeable. When 30 day's notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

NYS Paid Family Leave

Starting January 1, 2018, paid family leave will provide paid time off, so an employee can: Bond with a newly born, adopted, or fostered child, care for a family member with a serious health condition, or assist loved ones when a family member is deployed abroad on active military duty.

PFL protects employees in the following ways: You have the right to return to the same or comparable job upon return from Paid Family Leave. Employees are guaranteed continued health insurance while on leave (if you are already enrolled), however you will be required to pay your health insurance premium contributions while on leave. Your citizenship and immigration status do not impact your eligibility. The Episcopal Diocese cannot discriminate against employees for taking Paid Family Leave in any way.

Employees with a regular work schedule of 20 or more hours per week are eligible after 26 weeks of employment.

Employees with a regular work schedule of less than 20 hours per week are eligible after 175 days worked.

Benefits will be paid for through a small weekly payroll deduction from each check.

You can opt out of Paid Family Leave if you do not expect to work for The Episcopal Diocese for the minimum amount of time required for eligibility. If you meet these criteria and wish to opt out, you can do so by completing a Paid Family Leave Waiver and returning it to The Episcopal Diocese. Your waiver will be automatically revoked if your schedule changes or you may voluntarily revoke it at any time.

Please visit ny.gov/paidfamilyleave or call (844) 337-6303 for information on how to apply and for up to date benefit details including weekly length of eligible benefits and percentage of average weekly wage pay out.

Short-term disability and PFL cannot be used at the same time. You can however take one first, and then the other, but you cannot take more than 26 weeks of combined short-term disability and Paid Family Leave in a 52-week period.

Jury Duty Policy

Our organization considers service on a jury to be an important civic duty.

JURY DUTY PAY

If an employee is called to serve, he or she will be paid by the Diocese the New York State mandated per diem for the first three days of jury service. Exempt employees will be paid their full weekly salary if they work any part of the week in which they perform jury service.

DOCUMENTATION

Employees must submit a copy of the Jury Duty Attendance Certificate to their supervisor indicating the dates served. Employees will receive this statement when their jury duty is complete.

TIME AWAY FROM WORK

In fairness to the organization, employees are expected to return to work if they are excused from jury duty during their regular working hours.

COURT ATTENDANCE

Employees who are subpoenaed to appear in court as a witness in a criminal proceeding, or who attend court as a victim of a crime, will be granted unpaid time off for their attendance.

Military Leave Policy

The Episcopal Diocese provides military leave to eligible employees in compliance with federal and state laws, including the federal Uniformed Services Employment and Reemployment Rights Act (USERRA). Questions regarding the Company's military leave policy should be directed to Human Resources.

Employees should notify their managers as soon as they become aware of a military service obligation.

Leave for Annual Training

Employees who are members of the U.S. Army, Navy, Air Force, Marines or Coast Guard Reserves or the National Guard may be granted leaves of absence for the purpose of participating in Reserve or National Guard training programs.

Employees will be granted the minimum amount of leave needed to meet the minimum training requirements of their units. No employee will be required to use vacation time for military duty, but employees who do elect to schedule their vacations to coincide with military duty will receive their full regular vacation pay in addition to any pay from the military.

In recognition of the public service performed by Reservists and members of the National Guard, employees will receive the difference between their regular pay and their service pay, excluding any military subsistence allowance or other expense allowances during the training period. If state law requires a different arrangement, The Episcopal Diocese will comply with state law. Please contact Human Resources with any questions.

Leave for Military Service

Permanent employees who perform service in the uniformed services may be granted leaves of absence for the purpose of participating in military service. Under USERRA, "uniformed services" consists of the U.S. Army, Navy, Marine Corps, Air Force and Coast Guard and their Reserve components, U.S. National Guard and Air National Guard, the Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or emergency.

Employees will be granted leave as required to complete the military service, for up to five years of cumulative uniformed service-related absences. Some special categories of military service are exempt from this five-year limit.

Employees with leaves of less than 31 days must report back to work by the beginning of the first regularly scheduled work period after the end of the last calendar day of service, plus the time required to return home safely and have an eight hour rest period.

Employees with leaves between 31 and 180 days must apply for re-employment no later than 14 days after completion of uniformed service. Employees with leaves longer than 180 days must apply for re-employment no later than 90 days after completion of uniformed service.

Time Away From Work

The reporting or application deadlines are extended for persons who are hospitalized or convalescing because of an injury or illness incurred or aggravated during the performance of military service.

Returning service members will be reemployed in the job that they would have attained had they not been absent for military service, with the same seniority, status and pay, as well as other rights and benefits determined by seniority (escalator position). The Company will make reasonable efforts (such as training or retraining) to enable returning service members to refresh or upgrade their skills to help them qualify for reemployment. However, certain exceptions apply and a service member may be placed in an alternative reemployment position if he or she cannot qualify for the escalator position.

Reemployed service members are entitled to the seniority and rights and benefits based on seniority that they would have attained with reasonable certainty had they remained continuously employed.

During a period of military service, the employees will be treated as if they are on a furlough or leave of absence. Consequently, during their period of service they are entitled to participate in any rights and benefits not based on seniority that are available to employees on comparable nonmilitary leaves of absence.

If an employee's health plan coverage would terminate because of an absence due to military service, he or she may elect to continue the health plan coverage for up to 24 months after the absence begins or for the period of service (plus the time allowed to apply for reemployment), whichever period is shorter. The employee may be required to pay up to 102 percent of the full premium for the coverage. However, if the military service is for 30 or fewer days, the employee cannot be required to pay more than the normal employee share of any premium.

Vacation & Paid Time Off Policy

The Dioceses provides eligible employees with paid vacation leave to give them time off for rest and relaxation.

ELIGIBILITY

Vacation periods are calculated based upon the calendar year January to December. Employees are provided with 15 days of annual vacation that is accrued monthly at the rate of 1.25 days of vacation for each month on payroll. Part-time employees scheduled to work at least 1,000 or more annually receive vacation on a pro-rated basis. Unused vacation days do not carry over to the next calendar year.

SCHEDULING

Every effort will be made to permit employees to take their vacation at the time requested. However, due to the nature of our organization, coordination within scheduling is essential.

Employees who change their vacation request later in the year must receive approval from the supervisor. Approval will depend on the department's workload and the number of people who are scheduled for vacation at that time.

DEFERRAL OF VACATION TIME

Vacation may not be carried over from one year to the next.

VACATION PAY

An employee's vacation pay is based on the number of hours he or she is regularly scheduled to work at his or her straight time hourly rate. Part-time employees will receive vacation on a pro-rated basis.

EXCESS LEAVE AND UNPAID VACATION

Leave taken in excess of an employee's allotment will be unpaid and must be approved in advance by his or her supervisor. All vacation must be used before any unpaid time is granted.

PAY IN LIEU OF VACATION

Employees may not receive pay in lieu of taking the actual time off.

VACATION PAY AT TERMINATION

Employees who resign voluntarily, giving at least two weeks advance notice, will be paid for earned but unused vacation time. Earned but unused vacation time may not be paid to employees who resign with less than the specified advance notice or to employees who are terminated by the organization.

Unused sick/personal days are not paid at termination.

Voting Leave

The Episcopal Diocese encourages all employees to vote. It is the policy of The Episcopal Diocese to comply with all state election law requirements with respect to providing employees, when necessary, with time off to vote.

If an employee has four consecutive hours either between the opening of the polls in his or her community and the beginning of the workday or between the end of the workday and the closing of the polls, it will be deemed that the employee has sufficient time outside his or her normal working hours within which to vote.

If an employee has less than four consecutive hours as described above, he or she may take off as much working time as will, when added to his or her available voting time outside normal working hours, enable him or her to vote.

For nonexempt employees, however, not more than two hours of working time taken shall be paid for time off to vote, and such time shall be taken only at the beginning or end of the employee's workday as designated by his or her supervisor.

Employees requiring working time off to vote will be required to notify their supervisor that time off to vote will be required not more than 10 or less than two working days before the day of the election.

Time off to vote is paid and does not count against an employee's accrued paid time off or sick time.

If state law requires a different arrangement, The Episcopal Diocese will comply with state law. Questions regarding the policy for time off to vote should be directed to your supervisor or leadership.

The employee may then be entitled to continuation coverage at the employee's expense. (See Extension of Benefits Program policy for details.)

If an employee qualifies for leave under the Family and Medical Leave Act, he or she will receive health benefits during their FMLA leave under the same terms and conditions as if he or she was on the job. (See the Family and Medical Leave Act policy.)

The definitions of the worker classification categories can be summarized as follows:

Exempt—Employees who meet any of the FLSA’s exemption standards, including managerial, supervisory, professional, sales or administrative employees.

Non-exempt—Employees whose positions do not meet the FLSA exemption standards. Overtime work is prohibited without specific supervisor authorization for these employees.

In addition, each individual’s employment status is defined as one of the following:

Full-time - Employees who work at least 40 hours per week are considered to be full-time. Such full-time employees are eligible for benefits after applicable requirements for length of service have been met.

The Organization may supplement its regular work force with temporary or part-time employees to help compensate for workload, employee absences or other situations. Management will determine which positions are permanent and which are considered temporary or seasonal.

Part-time - Employees who work fewer than 40 hours per week are considered to be part-time. These employees will receive all legally mandated benefits (such as workers’ compensation and Social Security benefits), but are ineligible for other benefit programs.

Temporary - Temporary employees are individuals engaged to work either part time or full time on the Company payroll, but have been hired with the understanding that their employment will be terminated no later than the completion of their specific assignment. This category includes interns and co-op students. Such employees may be either “exempt” or “non-exempt” but are not eligible for Company benefits except as mandated by law.

Independent contractors - Consultants, freelancers and independent contractors are not employees of the Organization. The distinction between employees and independent contractors is crucial because employees may be entitled to participate in the Company’s benefits programs, while independent contractors are not. In addition, the Organization is not required to satisfy income, Social Security, Medicare or unemployment tax withholdings or payment requirements for independent contractors.

Employment of Relatives Policy

The employment of relatives is a sensitive issue that could possibly create a conflict of interest situation for the related individuals. Hiring decisions and continued employment must be handled in accordance with the following provisions. Relatives of a currently employed worker generally are considered for employment based on their qualifications. However, where the hiring or employment of a worker's relative would result in the types of prohibited employment relationships identified below, the organization may not consider or accept such applications for employment.

LIMITATIONS

It is the organization's policy that employees will not be hired into, or work in, a department where they directly or indirectly supervise or are supervised by an immediate family member or someone with whom they are romantically involved. Employees will not be placed in a position where they work with, or have access to, sensitive or confidential information about an immediate family member or someone with whom they are romantically involved.

DEFINITION OF RELATIVES

For the purposes of this policy, the term "immediate family" refers to spouses, domestic partners, parents, children, stepchildren, sisters, brothers, parents-in-law, sons/daughters-in-law, stepparents or family members residing in the same household.

MARRIAGES OR RELATIONSHIPS BETWEEN EMPLOYEES

Employees who marry or establish a close personal relationship can continue in their current positions as long as a prohibited employment relationship is not created. If one of the prohibited situations does occur, attempts will be made to find another position within the organization to which one of the employees can transfer. All practical efforts will be made to arrange such a transfer at the earliest possible time. If accommodations of this nature are not feasible, the employees will be permitted to determine which of them will resign.

Media Relations Policy

The Organization is committed to providing the media with accurate information. To avoid discrepancies, specific guidelines should be followed when a media inquiry is received.

All media inquiries regarding The Diocese or Parish and its operation must be immediately be referred to the Office of The Bishop/Priest/Leadership, who is authorized to make or approve public statements regarding company business. Unless specifically designated by this person, you are not authorized to make those statements. If you wish to write or publish an article, paper or other publication on behalf of the Organization, you must first obtain approval.

The Organization will generally provide a response to media inquiries within 24 hours. Should the response require a detailed technical explanation, a spokesperson will be designated to address the issue. The spokesperson will be chosen carefully, based on their area(s) of expertise.

Media inquiries include, but are not limited to, official statements, press releases and advertisements.

Please contact your Leadership with any questions or concerns you have regarding the Media Relations Policy.

Member & Visitor Relations

The professional treatment of members, visitors and the impression that we make on our community are very important. The reputation of the Diocese is built on how we treat others. To maintain our reputation requires the active participation and cooperation of every employee.

EACH EMPLOYEE'S RESPONSIBILITY

The opinions and attitudes that members and potential members have toward our organization may be determined for a long period of time by the actions of one employee. Each employee must be sensitive to the importance of providing courteous treatment in all working relationships.

QUALITY SERVICE

Quality service can only be achieved when every employee understands that serving members and building strong community are critically important to the success of our organization.

We are committed to always providing quality service and a high level of professionalism to all that we serve.

Online Social Networking Policy

This policy establishes a set of rules and guidelines for any activity and participation in “social media” by all the Company “users.” These rules are intended to be adaptable to the changes in technology and norms of online communication and behavior, and may be amended by the Company at any time, for any reason, without notice to users.

DEFINITIONS

The term “social media” applies to any web-based and mobile technologies, in use now or developed in the future, that enable individuals or entities to disseminate or receive information, communicate, or otherwise interact, and includes, without limitation, email, texting, messaging, social networking, blogging, micro-blogging, bulletin boards, and so on, through providers such as Facebook, LinkedIn, Twitter, YouTube, Google+ or others.

The term “users” refers to employees, management and supervisors, and anyone else employed by the Organization.

EXERCISE RESPONSIBILITY ONLINE

This policy applies to any social media activity conducted with an Organization email address or on an Organization website or page, and/or which can be traced back to the Organizations domain, and/or which uses the Organizations Information Systems and/or which expressly or implicitly identifies the individual as an employee of the Organization.

If, from an employee’s post in a blog or elsewhere in social media, it is clear the employee is an Organizations employee, or if the employee mentions the Organizations name, or it is reasonably clear the employee is referring to the Organization or a position taken by the Organization, and the employee expresses a political opinion or an opinion regarding the Organization’s positions or actions, the post must specifically note that the opinion expressed is the employee’s personal opinion and not necessarily the Organization’s position.

FOLLOW EXISTING POLICIES

Observe and follow: (a) existing Diocesan policy and agreements, such as our Employee Handbook and (b) applicable laws and regulations. This means that employees are prohibited from using social media to post or display comments about co-workers or supervisors of the Organization that are maliciously false, obscene, threatening, intimidating, or in violation of the Organization’s workplace policies against discrimination on the basis of race, color, sex, age, disability, religion, citizenship, national origin, ancestry, military status or veteran status, marital status, sexual orientation, domestic violence victim status, predisposing genetic characteristics and genetic information, and any other status protected by law.

The rules in the Organization’s Employee Handbook and “Non- Harassment,” “Sexual Harassment,” “Non-Discrimination,” “Code of Ethics,” “Standards of Conduct,” “Voicemail, E-mail, and Computer Systems,” and “Use of Internet” policies apply to employee behavior within social media and in public online spaces.

Do not post any information or conduct any online activity that violates applicable local, state, or federal laws and regulations. Any conduct which under the law is impermissible if expressed in any other form or forum is also impermissible if expressed through social media.

RECOGNIZE OTHERS' PRIVACY

It is inappropriate to use or disclose "confidential personal information" (as defined below) about another individual or use or disclose the Organization's "proprietary confidential information" in any form of social media.

For purposes of this Policy, "confidential personal information" refers to an individual's Social Security number, financial account numbers, driver's license number, or personal medical information (including family medical history). The Organization's "proprietary confidential information" refers to internal information regarding Diocesan finances, future organization performance and plans and strategies

All Diocesan rules regarding the Organization's confidential proprietary information and confidential personal information, apply in full to social media, such as blogs or social networking sites.

USE YOUR TRUE IDENTITY

When commenting on or promoting any Episcopal Diocesan venue or service on any form of social media, employees must clearly and conspicuously disclose his or her relationship with the Organization to the members and readers of that social media.

MANAGE EXPECTATIONS OF PRIVACY

Consistent with the Organization's "Voicemail," "E-mail," "Computer Systems," and "Use of Internet" policies, the Organization may access and monitor its Information Systems and obtain the communications within the systems, including email, Internet usage, and the like, with or without notice to users of the system, in the ordinary course of business when the organization deems it appropriate to do so. As such, when using such systems, employees should have no expectation of privacy with regard to time, frequency, content, or other aspects of use, including the websites the employee visits and other Internet/Intranet activity. The reasons the Organization accesses and monitors these systems include, but are not limited to: maintaining the system; preventing or investigating allegations of system abuse or misuse; assuring compliance with software copyright laws; and complying with legal and regulatory requirements.

INTERACT ON YOUR OWN TIME

The Organization respects the right of any employee to participate in social media, such as maintaining a blog or participating in online forums. However, to ensure proper employee focus on their job duties and adequate functioning of organization equipment, employees are not permitted to engage in social media activities during work time. Moreover, during non-work time, employees must avoid excessive social media or other email or internet activity while using Diocesan equipment or Diocesan networks.

IDENTIFY ANY COPYRIGHTED OR BORROWED MATERIAL WITH CITATIONS AND LINKS

When publishing any online material through social media employees must respect and follow all copyright and other intellectual property laws.

ADDITIONAL INFORMATION

Please see your supervisor and/or appropriate leadership for additional information or clarification of any aspect of this policy.

Open Door Policy

Our organization is committed to the principle of open communication between employees and their supervisors concerning any aspect of the employment relationship.

WORKING TOGETHER, WE CAN FIND A SOLUTION TO ANY PROBLEM

In every organization there are honest differences of opinion about working conditions, discipline, policies and other work-related matters. Employees should not keep concerns to themselves and are encouraged to communicate their issues to management via the steps outlined below. Problems that are unknown cannot be solved.

FIRST STEP

Employees who have a problem, complaint, question or suggestion about any aspect of our organization are encouraged to discuss the issue with their immediate supervisor. We hope that most matters can be satisfactorily resolved by such discussions.

SECOND STEP

Employees who are not satisfied with the outcome of this first session, or are not comfortable raising a particular issue with their supervisor, are welcome to discuss the situation with local Leadership. The leader will meet with the employee and/or his or her supervisor and attempt to reach a satisfactory solution.

THIRD STEP

The resolution to a problem, complaint, question or suggestion may be appealed to the Bishop's Office. The Bishop's Office's decision on this appeal is final.

Whistleblower Protection

The Organization strives to protect its employees, members and community as best as possible. As a matter of policy and practice, as well as in compliance with various laws, we offer employees whistleblower protection when they report certain activities or make a complaint to management about a specific situation or occurrence in the workplace that may be unsafe, illegal, abusive or fraudulent. The complaint will be taken seriously and investigated to the fullest extent possible. Employees who make complaints of this nature will be protected from retaliation.

MAKING A COMPLAINT

If an employee believes that a workplace activity or situation is unsafe, illegal, abusive or fraudulent, he/she should bring the problem to the attention of the supervisor and/or appropriate Leadership. The Organization will, if appropriate, conduct a prompt and thorough investigation of the situation. Employees may report problems anonymously, but should be aware that this may hamper the Organization's ability to obtain further details and/or ask follow-up questions during its investigation.

Problems that are covered by other the Organization complaint procedures (e.g., employment discrimination, harassment) must be reported in the manner and to the individual(s) set out in those specific procedures, and not under this policy.

NO RETALIATION

Employees who make a complaint in good faith will not be retaliated against or penalized in any manner. The employee's identity, if made known to the Organization, will be protected to the greatest extent possible, consistent with the need to investigate and remedy the situation. Any employee who believes he or she has been retaliated against in violation of this policy should notify the Bishop's Office immediately.

Outside Employment

We hope our employees will not find it necessary to accept additional outside employment. However, if the need arises, employees may accept part-time employment providing the following provisions are observed.

NOTIFICATION

Employees must notify their supervisor in writing of their intent to accept another position at another organization while they are still employed by the Organization. This notice should specify the name of the employer, the nature of the job duties, and the hours of work.

CONFLICT OF INTEREST

Outside employment must not interfere in any way with your capability for giving full service to our organization.

Overtime Pay Policy

Our organization occasionally requires longer-than-average hours of its employees in order to meet the needs of our members. It is necessary and requested that each of us comply with overtime needs so that we may meet the needs of our members.

OVERTIME RATES

Non-exempt employees are paid one and one-half times their regular hourly rate of pay for overtime hours worked in excess of 40 hours in a workweek.

For purposes of calculating overtime, the workweek varies per location, employee should speak directly with their supervisor to find out what is the defined workweek is.

AUTHORIZATION

All overtime must be authorized in advance by the supervisor.

DEFINITION OF HOURS WORKED

Only actual hours worked are counted when calculating overtime.

VIOLATIONS

Violations of this policy will be subject to disciplinary action, up to and including termination.

Pay Periods and Check Distribution Policy

The Organization is committed to a policy of fair and equitable compensation for work well done.

WAGE AND SALARY PROGRAM

The Diocese assigns wage rates to each job based on the job requirements and the economic conditions of the organization and the community.

Employees will be notified annually of their pay rate, regular payday, and related information.

MERIT INCREASES

It is the policy of the Diocese to fairly compensate all employees based on the local market compensation practices for comparable positions, as well as the performance of the individual in the position. Staff positions are periodically reviewed and compared with similar positions in other non-profit organizations in the community using market compensation data, reviewed by the HR Committee and approved by the Bishop. Each year, the HR Committee of the Diocese reviews any proposed changes to salary ranges and/or benefits and makes appropriate recommendations to the Bishop and Diocesan Council to assist in the formulation of the annual operating budget.

Annual salary reviews for Diocesan Staff are conducted using the following process:

- Annual salary adjustments are recommended by each supervisor, based on both the employee's annual performance rating and the employee's current salary relative to the mid-point of the salary range for each position.
- All recommended salary changes are reviewed by the CFO and must be approved by the Bishop before being communicated to the employee.
- Salary increases are effective July 1st.
- Any change in salary due to a current employee taking on a new position, will be effective on the first of the month that the change is effective.
- Employees that are new to their position are eligible for the annual salary review at any point after six months in the new position.
- All salary increases are subject to budget availability.
- No increase to salary will be approved if performance is rated as "needs improvement or below expectations."
- Any recommended salary increase greater than 9% will be reviewed by the HR Committee and must be approved by the Bishop.

- Any salary below or above the approved salary range must be reviewed by the HR Committee and approved by the Bishop.

PAYDAY

Employees will be informed upon hire of the pay frequency and pay day, as it varies based on location. Generally, if payday falls on a holiday, employees ordinarily will be paid on the day before the holiday.

DIRECT PAYROLL DEPOSIT

Employees may have the option of being compensated through direct deposit. The supervisor answers questions regarding direct deposit.

GARNISHMENTS

A court may order the organization to garnish amounts directly from the employee's paycheck. The Diocese must withhold the amount indicated in the garnishment from the employee's paycheck in accordance with federal and state law.

TRAVEL TIME

Non-exempt employees required to travel for work-related reasons are paid in accordance with federal and state wage and hour laws. For more information see the supervisor.

TRAVEL/EXPENSE REIMBURSEMENT

Employees will be reimbursed for pre-authorized expenses incurred on behalf of the Organization. For more details, please refer to the detailed Travel & Expense Reimbursement Policy & Procedures provided in Appendix A.

OVERPAYMENTS

In the event an employee is overpaid due to a mathematical or clerical error, the Diocese will proceed to recoup the overpayment as outlined by NYS law. For more information, see the supervisor.

POLICY FOR DEDUCTIONS FROM WAGES

It is our policy to comply with the salary basis requirements of the FLSA. Therefore, we prohibit all supervisors from making any improper deductions from the salaries of exempt employees or from the wages of any other employee that are not consistent with state wage and hour laws. The organization does not allow deductions that violate the FLSA or state wage and hour laws.

PERMITTED DEDUCTIONS FROM EXEMPT EMPLOYEE'S PAY

Deductions from pay are permissible for exempt employees, for example, under the following circumstances:

- For absences from work for one or more full days for personal reasons other than sickness or disability;

For absences of one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness;

- For required local, state or federal withholding taxes;
- To offset amounts employees receive as jury or witness fees, or military pay; or
- For unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions.

In addition, the organization is not required to pay the exempt employee's full weekly salary:

- For time not worked in the initial or terminal week of employment;
- For penalties imposed in good faith for infractions of safety rules of major significance; or
- For unpaid leave taken under the Family and Medical Leave Act (if applicable).

In the above three circumstances, either partial-day or full-day deductions may be made.

REPORTING IMPROPER DEDUCTIONS

Employees should report improper deductions immediately to their direct supervisor or to appropriate leadership. Employees will not be retaliated against for making a complaint. Reports of improper deductions will be promptly investigated. If it is determined that an improper deduction has occurred, the employee will be promptly reimbursed for any improper deduction made.

Performance Evaluation Policy

To help employees grow in their jobs, supervisors will evaluate an employee's performance, provide feedback on a regular basis and complete an annual, written appraisal. The purpose of this performance appraisal plan is to provide a basis for better understanding between employees and their supervisors with respect to job performance, potential and development within the Diocese.

MEETING WITH YOUR SUPERVISOR

Performance is evaluated by immediate supervisors. Evaluations should not take the place of informal discussions between employees and their supervisors regarding performance, but rather should provide regular opportunities to discuss the job relationship in depth.

The process for establishing individual goals and reviewing performance has several purposes:

- To clarify each individual's role.
- To establish mutually agreed upon goals and priorities.
- To review progress on goals and provide regular feedback on performance.
- To provide an equitable basis for annual salary review.
- To aid in employee development.

FREQUENCY

Supervisors and employees are encouraged to meet on a regularly scheduled basis to review roles, goals and performance. Each review includes both a self-evaluation and supervisory feedback. Annually, supervisors will provide a written performance evaluation and rating of overall performance for review and discussion with each employee. Both the employee and Supervisor sign the annual review to acknowledge that the document was reviewed and discussed. Signature of the employee does not necessarily imply complete agreement with the evaluation and/or rating. Supervisors must review all employee performance evaluations with their manager prior to employee discussions.

Performance appraisals are a review of the employee's work performance; not necessarily a review of pay rate. The Organization addresses merit increases separately in accordance with policy. For further information, please refer to the Pay Practices Policy.

FORMS

Performance appraisals are completed on forms designed for this purpose. The information on the form is to be the basis for discussion between employees and their supervisors. Employees may obtain a sample of this form from their supervisors.

Personnel Records Policy

The Diocese maintains an official personnel file for each employee that contains necessary job-related and personal information. These files are confidential and guidelines exist to safeguard against improper disclosure.

ACCESS TO PERSONNEL FILE

Current employees may see information which is kept in their own personnel file if they wish, except for confidential materials such as job references or information relating to other employees. Employees may make arrangements with their supervisor to see these documents. Employees may request and receive copies of all documents they have signed at the time they are signed.

Internal availability and access to personnel files is limited to those with proper authorization and a business need to know.

INQUIRIES ABOUT EMPLOYEES

All inquiries or requests for information about employees (active or inactive) from people outside the organization should be referred to your supervisor and/or appropriate leadership. This applies to all requests, whether written or verbal.

In some cases, employers are required by federal, state or local law to disclose information to the government or other authorized entities even if the Organization would ordinarily keep such information confidential. The Organization will comply with all laws which require disclosure of employee information upon receipt of a properly authorized request.

PROTECTION AND DISPOSAL OF PERSONAL RECORDS

The Organization is committed to ensuring that records containing personal identifying information are protected and disposed of in accordance with state law. Personal information is disposed of in a manner that ensures no unauthorized person will have access to employee personal information. The Organization strives to keep accurate and up-to-date personnel records.

Employee personnel files may include the following:

- Employee demographic information
- Job application
- Position description
- Resume
- Training records
- Salary history
- Disciplinary action records
- Performance reviews
- Coaching and mentoring records

To ensure the accuracy of your personnel records, please notify us immediately of the following changes:

- Name
- Address
- Telephone number
- Marital status
- Dependent status

- Tax status

Personnel records are confidential and are not available to anyone outside of the organization, unless you have personally authorized their release. A release may not be required when reporting certain information as required by law or when an authorized governmental agency inspects certain records. To obtain access to your records, contact the organizations leadership.

Phone Call Policy

The Organization may provide phones to employees to increase efficiency in doing business. There are important things to consider when using telephones. Please adhere to the following guidelines, based on the type of call you are making or receiving:

NON-BUSINESS CALLS

Our telephones are maintained for business purposes only. The Diocese recognizes that employees may occasionally need to use the organizations telephones for non-business-related matters. Employees are requested to limit these calls to an absolute minimum and place calls only during non-working periods.

LONG DISTANCE CALLS

The organization's telephones may not be used to make non-business long distance calls except in emergencies with prior permission from an employee's supervisor.

PERSONAL CELL PHONES AND ELECTRONIC DEVICES

Most of today's hand-held electronic devices make it easy to bring music, entertainment, and personal communications to the workplace. However, due to safety, productivity and efficiency reasons, the use of personal electronic devices should be limited to break and meal periods, unless used for work-related reasons, e.g. podcasts, etc.

Radios, iPods, MP3 players, and other personal electronic devices may be used to play music during work time with prior permission from the supervisor and if the devices are not distracting to others and do not interfere with work performance.

Position Descriptions

A position description is written for each position in our organization and maintained on file in the organizations office. The purpose of these position descriptions is to define job standards and essential functions and physical requirements, as well as marginal or peripheral duties and reporting relationships for the various positions throughout our organization.

EMPLOYEE ACCESS TO POSITION DESCRIPTIONS

Employees are provided with a copy of their position description at the time of hire and whenever accountabilities change significantly.

USE OF POSITION DESCRIPTIONS

Position descriptions are designed to promote a better understanding of the total job for both employees and their supervisors. Supervisors will refer to position descriptions during the recruitment and hiring process, as well as during performance appraisal discussions.

UPDATING POSITION DESCRIPTIONS

Position descriptions are updated periodically to reflect changes in job duties and organizational structure. Employees should schedule time to meet with their supervisor if they believe their position description needs updating or if they have questions.

Protected Health Information Privacy

For employers with self-insured medical plans or medical flexible spending account plans, the Health Insurance Portability and Accountability Act (HIPAA) privacy rules require group health plans like the Organization's group health plan to take steps to ensure the privacy of personally identifiable health information (PHI) and provide notice of the plan's legal duties and privacy practices to participants. Generally, the plan cannot use or disclose PHI without written authorization except for the purposes stated in the plan's Notice of Privacy Practices. The summary below briefly describes some of the aspects of how medical information may be used and disclosed by the Organization's group health plan and how employees can get access to this information. A more complete summary is contained in the plan's Notice of Privacy Practices.

USE AND DISCLOSURE OF PHI

The plan is required to provide an employee access to certain PHI in order to inspect or copy it. Use and disclosure may also be required by the Department of Health and Human Services to enable the Department to investigate or determine compliance with the privacy regulations.

YOUR RIGHTS

Employees may request that the plan restrict the use and disclosure of PHI to carry out treatment, payment, or health care operations. Employees also may request that the plan allow the use and disclosure of PHI to relatives, friends, or other individuals identified by the employee. However, there is no requirement that the request be granted.

Employees generally have the right to inspect and copy their PHI. The plan will provide requested information within the federally established timeframe. If the request is denied, the employee will receive a written notice.

Employees have the right to request an amendment of their PHI. The plan will act on the request within the legally required timeframe. If the plan is unable to comply with the request for amendment, the employee will be provided with a written denial that explains the basis for denial. Employees may also submit a written statement disagreeing with the denial.

Employees have the right to request an accounting of disclosures of their PHI. However, such accounting need not include PHI disclosures made to carry out treatment, payment or health care operations, or certain other types of disclosures identified in the privacy regulations.

MORE INFORMATION

Requests to restrict use and disclosure, inspect or copy PHI, amend PHI, or receive an accounting of PHI should be made to the Benefits Administrator, 935 East Avenue, Rochester, New York, 14607. The plan will make every effort to accommodate the request within a reasonable period of time.

Safety Policy

The Organization wants to ensure that our employees remain safe and injury-free at all times. The Company intends to comply with all applicable safety laws. In order to guarantee that accidents are avoided whenever possible, we expect our employees to refrain from horseplay, careless behavior and negligent actions. It is the Company's policy to maintain a safe and secure working environment for all employees and clients.

While working, employees must observe safety precautions for their safety and for the safety of others. All work areas must be kept clean, and free of clutter and debris. Any hazards or potentially dangerous conditions must be corrected immediately or reported to a supervisor.

If you are involved in an accident, you must:

- Report the accident to your supervisor or to Human Resources immediately
- Obtain any necessary medical treatment
- Fill out an Accident Report, regardless of the severity of the injury
- If you must seek additional medical treatment, obtain your supervisor's consent before leaving the premises

Employees who fail to comply with this procedure may be subject to disciplinary action.

Smoke-free Environment Policy

The Organization is a smoke-free environment. Smoking, chewing, use of e-cigarettes/pipes and other tobacco and nicotine products is not permitted at any time in Company work areas or vehicles, or in client work areas or vehicles.

If smoking is allowed outside of the building, smokers should be considerate of colleagues, customers and members of the public. Help to maintain a clean entryway by depositing cigarettes in appropriate containers and staying far enough away from doors so that smoke does not blow into the building.

Employees who smoke or chew must observe the same guidelines as non-smokers for the frequency and length of break periods..

This policy applies equally to all employees, customers, and visitors.

Solicitations, Distributions & Use of Bulletin Boards Policy

Understanding that employees may occasionally wish to communicate with their co-workers to advertise personal items for sale or to participate in fundraisers for non-profit organizations, children's schools and other non-work events, we allow use of lunch rooms and electronic bulletin boards to distribute such information.

The Organization maintains bulletin boards in suitable places for the posting of official notices relating to Company business, job opportunities, sponsored activities, and federal and state regulations.

Leadership reserves the right to monitor such communications and remove them if inappropriate or not in the best interest of the Organization operations.

In respect for other's efficiency, please do not use work email, voicemail or other resources as a means to solicit or distribute non-work materials. Activities that disrupt work hours or operations are prohibited.

Persons not employed by the Organization may not solicit employees for any purpose on the premises.

Workers' Compensation Policy

The Organization will provide workers' compensation, a type of accident and injury insurance, that compensates an employee for lost time, medical expenses and loss of life or dismemberment from an injury arising out of or in the course of work. Employees must report any work-related injury or disease immediately (or as soon as practicable) to their supervisor and Human Resources so that the necessary paperwork can be completed in a timely manner. Please note that under state laws, employees who fail to report work-related injuries in a timely manner may see a reduction or denial of their workers' compensation benefits. Reports of accidents or injuries, even minor, must be reported within 24 hours with the Diocese.

Employees returning to work from an injury or illness for which they were receiving workers' compensation must provide proof of rehabilitation or treatment from a licensed physician and verification that they are able to complete all job-related tasks. In the event that the employee returns to work under strict medical restrictions, the Company will make every reasonable effort to accommodate the employee's work ability and job responsibilities. Once a physician removes work restrictions, the employee is expected to perform his or her regular duties and will no longer receive workers' compensation benefits.

Only the Bishop or other authorized representative(s) of The Episcopal Diocese or Parish has the authority to enter into a signed written agreement guaranteeing employment for a specific term. This handbook is intended solely to describe the present policies and working conditions at the Organization. This handbook does not purport to include every conceivable situation; it is merely meant as a guideline and, unless laws prescribe otherwise, common sense shall prevail. Of course, federal, state and local laws will take precedence over Organization policies when applicable.

Personnel policies are applied at the discretion of the Organization. The Organization reserves the right to change, withdraw, apply or amend any of our policies or benefits, including those covered in this handbook, at any time. The Organization may notify you of such changes via email, posting on the Company’s intranet, portal or website, or via a printed memo, notice, amendment to or reprinting of this handbook, but may, in its discretion, make such changes at any time, with or without notice and without a written revision of this handbook.

By signing below, you acknowledge that you have received a copy of The Organizations Employee Handbook, and understand that it is your responsibility to read and comply with the policies contained within it and any revisions made to it. Furthermore, you acknowledge that you are employed “at-will” and that this handbook is neither a contract of employment nor a legal document.
