Convention 84 Evaluation

Diocesan Convention pre-registration was online this year. Please tell us how this worked for you:

- I was able to register online without a problem
 - I needed some help to register online
 - I was not able to register online

By continuing to hold a 1-day program at a Church, we are able to put on a convention that was free of charge to Parishes and we collectively saved approximately \$80,000 from previous 2-day Conventions.

There are obviously trade-offs made in such a change. Do you think:

- This 1-Day Convention worked fine
 - We should consider going back to 2-day Convention
 - Please consider an alternative:

Alternative

In an effort to reduce the use of paper, we posted information on the website, had some hard copies available at district meetings, and reduced the size of the Convention packet, including simplified ballots. Please tell us how we are doing as we continue to “Grow Green” .

- I was able to get the information I needed
- I had to contact someone (name in comments) to get the information I needed.
- I was not able to get the information I needed (list in comments).

Comments

As you reflect on the overall convention process (Registration, District Mtg., Saturday meeting, worship):

What was the best part of this year’s convention for you?

What would you like to see different next year?

How would you change it?

Please share any additional comments or thoughts with us:

Thank you and God bless!
