

Convention 92 Elective Offices - 2023 Pre-Selection Worksheet

Please review the "Meet the Nominees" document that provides the details on each nominee running for office. We suggest that you print this Pre-Selection Worksheet, make your selections ("X") and refer to it for the electronic voting on convention day. Keep in mind, there may be nominations from the floor of convention to consider. If someone is nominated from the floor of convention, write the name of that person in where you see "Write-in" on that specific elective office.
