

CONSENT AGENDA Proposed for Convention 90

A Consent Agenda is a meeting practice that routine business and reports are together in one agenda item. The consent agenda can be approved in one action, rather than filing motions on each item separately.

In order to simplify and expedite voting, on procedural and administrative motions where we believe there will be unanimous support, we have put forth a Consent Agenda to consider. There will be (1) motion and (1) vote to accept the Consent Agenda instead of (6) separate motions and votes.

If a delegate requests (for any reason) that an item be removed from the consent agenda, it must be removed. They may wish, for example, to discuss the item, to query the item, or to register a vote against the item. Approving the Consent Agenda will save time on the Zoom meeting.

The following procedural motions put forth by Committees are in the **Consent Agenda for delegates to consider:**

- Waive the reading of the minutes
- Accept minutes as presented on the website
- Courtesy of seat, voice and vote resolution
- Convention Agenda
- Rules of Debate
- Official reports
