Greetings from the Standing Committee!

First of all, thanks to all of you who have taken time out of your busy schedules to attend our Listening Sessions as we prepare for the Election of the Ninth Episcopal Bishop of Rochester. We especially are grateful for all who have received us throughout the diocese and provided for us a wonderful hospitality and spirit. Our listening sessions are now completed, and a report will be sent to all throughout the diocese over the next few weeks sharing the thematic results of our work.

In the next few weeks, we will also be sending out an application form for those who wish to serve on the Search Committee. This will include the criteria and some expectations for this most important work.

We have heard the desire that we remain as transparent as we can and hope to keep you informed as we move forward.

Let us keep each other in prayer and continue our work toward healing and growing together in the love of God.

For all of us on the Standing Committee,
The Very Rev. Ken Pepin
President of the Standing Committee
