To: Rectors, Wardens and Vestries
Subject: **Annual Parish Audit**

An annual parish audit is more than a canonical requirement. It is essential to good stewardship. As my counterpart in the Diocese of Southwest Florida put it:

“Our accounting system, internal controls, procedures, budget, and audit - along with the oversight provided by the Vestry, are a single system. No part stands alone; each supports the other. This entire system enables the Vestry to fulfill its obligation of fiduciary responsibility and proper stewardship.”

An annual audit helps instill confidence in a parish’s finances, thereby:

- preserving the trust of donors
- protecting and providing for parish staff and members
- allowing Church Leadership to focus on growing the mission of the church

The electronic audit file contains the materials your audit committee or auditor will need to complete the congregation’s financial records audit for 2024. If you have not yet appointed your audit committee or hired your CPA, you should do so promptly. The Audit Appointment Form may be found online on the Episcopal Diocese of Rochester "Admin Forms" Data Management System (<http://data.episcopalrochester.org/>).

One copy of the completed Certificate of Audit, along with the Audit Worksheets, Bank Balance Confirmations or Year-end Bank Statement, and Year End Financial Reports are due by June 30, 2025.

If you have questions about this process, please contact Catherine Shoemaker at (585) 241-4586 or e-mail: catherine@episcopaldioceseofrochester.org.

Thank you for your faithful commitment and attention to this process.

Best regards,

Will
